*Communication in a Civil Society* Shelley D. Lane, Ruth Anne Abigail, John Gooch, 2016-04-28 Uncivil acts and messages too often color our experience with others Communication in a Civil Society offers an alternative way to teach and learn about communication Every chapter focuses on communication based on respect restraint and ethical choices Medicine at Michigan Dea Boster, Joel D. Howell, 2017-09-07 An insightful look at the University of Michigan's groundbreaking Medical School **We Regret To Inform You** Christopher B. Scharping, 2013-10-23 This well researched World War II novel is based on a true story from Medina a small town between Buffalo and Rochester New York A husband and wife have one son When World War II began the son enlisted in the US Army Air Forces as a pilot The flight training and combat sequences are detailed and accurate Later the son is listed as Missing In Action along with his entire crew and the B 17 bomber they were flying as part of an 8th Air Force mission over Czechoslovakia The father and son have been the closest of friends and the loss and lack of information is unacceptable The father vows to find his son as soon as the war is over The story unfolds from that point Follow the son Allen Stefaniak through college romance flying training and off to war The story takes place in Western New York State Chicago Army bases in Texas Florida Georgia and Maine in England North Africa Germany Sweden and Russia Will the father Stanley be reunited with his son What adventures and frustrations will impede the search Come along and find out The story is panoramic in its scope and universal in its message Live those years of destiny again with the Stefaniak family during one of the most turbulent times in American history Doctors Serving People Edward J Eckenfels, 2008-08-01 Today's physicians are medical scientists drilled in the basics of physiology anatomy genetics and chemistry They learn how to crunch data interpret scans and see the human form as a set of separate organs and systems in some stage of disease Missing from their training is a holistic portrait of the patient as a person and as a member of a community Yet a humanistic passion and desire to help people often are the attributes that compel a student toward a career in medicine So what happens along the way to tarnish that idealism Can a new approach to medical education make a difference Doctors Serving People is just such a prescriptive While a professor at Rush Medical College in Chicago Edward J Eckenfels helped initiate and direct a student driven program in which student doctors worked in the poor urban communities during medical school voluntarily and without academic credit In addition to their core curriculum and clinical rotations students served the social and health needs of diverse and disadvantaged populations Now more than ten years old the program serves as an example for other medical schools throughout the country Its story provides a working model of how to reform medical education in America **The Scalpel and the Soul** Allan J. Hamilton, 2008 The Scalpel and the Soul explores how premonition intuition good luck hope and faith not only become factors in how patients feel but also can literally alter outcomes and save lives it validates the spiritual manifestations many physicians and medical professionals encounter daily it empowers patients to voice their spiritual needs when seeking medical help and finally it addresses the

mysterious attractive powers the soul exerts during life threatening events The book concludes with an appendix of twenty rules to live by practical hard won advice for patients or their loved ones on how to navigate through surgery or critical care
