Schilling,2010-09-24 When John Schilling an unassuming midlevel accountant joined Columbia Healthcare Corporation the nation s fastest growing and revolutionary network of public hospitals it seemed like the start of an exciting new career with great advancement and earnings potential He never expected to become a catalyst for the series of whistleblower lawsuits that ripped through the healthcare industry in the late 1990s In Undercover John Schilling tells the story of his harrowing journey from ordinary citizen and loyal employee to covert FBI informant and top witness for the Justice Department in the largest criminal healthcare fraud case in U S history It began when he stumbled upon evidence a 3 5 million accounting error of his company s routine practice of defrauding Medicare When pressured to comply with stealing from taxpayers Schilling knew he had to speak up for what he believed was right regardless of the cost to his job his reputation and his family His courageous choice would consume the next seven years of his life leading to more drama angst turmoil and money than he
