Lingsheng Yao

Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series:

Medieval Scandinavia Birgit Sawyer, 1993 The study of Scandinavia has been and still is deeply influenced by the interpretation of its earliest history that was developed in the 19th century by political legal and literary historians archaeologists and anthropologists Scandinavia figured prominently in discussions of early medieval Europe not only as the homeland of the Vikings but also as the region in which Germanic society remained uncontaminated by Christianity and other influences longer than anywhere else In Medieval Scandinavia Birgit and Peter Sawyer question assumptions about early Scandinavian history including the supposed leading role of free and equal peasants and their position in founding churches They meticulously trace the development of Scandinavia from the early ninth century through the second and third decades of the 16th century when rulers of Scandinavia rejected the authority of the Papacy and the attempt to establish a united Scandinavian monarchy finally collapsed The authors include a discussion of medieval history writing and comment on the use of history in the 16th century and modern attitudes to medieval history which differ in various parts of Scandinavia They ultimately conclude that historic Scandinavia held greater similarities to other European regions than has been commonly supposed Birgit Sawyer is one of the founders of the biennial interdisciplinary conferences on women in medieval Scandinavia Peter Sawyer's previous books include Kings and Vikings and The Age of the Vikings Sverre Bagge, 2016-02-09 A concise history of medieval Scandinavia Christianity and European style monarchy the cross and the scepter were introduced to Scandinavia in the tenth century a development that was to have profound implications for all of Europe Cross and Scepter is a concise history of the Scandinavian kingdoms from the age of the Vikings to the Reformation written by Scandinavia's leading medieval historian Sverre Bagge shows how the rise of the three kingdoms not only changed the face of Scandinavia but also helped make the territorial state the standard political unit in Western Europe He describes Scandinavia's momentous conversion to Christianity and the creation of church and monarchy there and traces how these events transformed Scandinavian law and justice military and administrative organization social structure political culture and the division of power among the king aristocracy and common people Bagge sheds important new light on the reception of Christianity and European learning in Scandinavia and on Scandinavian history writing philosophy political thought and courtly culture He looks at the reception of European impulses and their adaptation to Scandinavian conditions and examines the relationship of the three kingdoms to each other and the rest of Europe paying special attention to the inter Scandinavian unions and their consequences for the concept of government and the division of power Cross and Scepter provides an essential introduction to Scandinavian medieval history for scholars and general readers alike offering vital new insights into state formation and cultural change in Europe The Conversion of Scandinavia Anders Winroth, 2012-01-24 In this book a MacArthur Award winning scholar argues for a radically new interpretation of the conversion of Scandinavia from paganism to Christianity in the early Middle Ages Overturning the received narrative of

Europe s military and religious conquest and colonization of the region Anders Winroth contends that rather than acting as passive recipients Scandinavians converted to Christianity because it was in individual chieftains political economic and cultural interests to do so Through a painstaking analysis and historical reconstruction of both archeological and literary sources and drawing on scholarly work that has been unavailable in English Winroth opens up new avenues for studying European ascendency and the expansion of Christianity in the medieval period The Conversion of Scandinavia Anders Winroth, 2012 In this book a MacArthur Award winning scholar argues for a radically new interpretation of the conversion of Scandinavia from paganism to Christianity in the early Middle Ages Overturning the received narrative of Europe's military and religious conquest and colonization of the region Anders Winroth contends that rather than acting as passive recipients Scandinavians converted to Christianity because it was in individual chieftains political economic and cultural interests to do so Through a painstaking analysis and historical reconstruction of both archeological and literary sources and drawing on scholarly work that has been unavailable in English Winroth opens up new avenues for studying European ascendency and the expansion of Christianity in the medieval period Cross and Scepter (eGalley) Sverre Bagge, **Snorri Sturluson** and the Edda Kevin Wanner, 2008-08-07 Why would Snorri Sturluson c 1179 1241 the most powerful and rapacious Icelander of his generation dedicate so much time and effort to producing the Edda a text that is widely recognized as the most significant medieval source for pre Christian Norse myth and poetics Kevin J Wanner brings us a new account of the interests that motivated the production of this text and resolves the mystery of its genesis by demonstrating the intersection of Snorri s political and cultural concerns and practices The author argues that the Edda is best understood not as an antiquarian labour of cultural conservation but as a present centered effort to preserve skaldic poetry s capacity for conversion into material and symbolic benefits in exchanges between elite Icelanders and the Norwegian court Employing Pierre Bourdieu's economic theory of practice Wanner shows how modern sociological theory can be used to illuminate the cultural practices of the European Middle Ages In doing so he provides the most detailed analysis to date of how the Edda relates to Snorri s biography while shedding light on the arenas of social interaction and competition that he negotiated A fascinating look at the intersections of political interest and cultural production Snorri Sturluson and the Edda is a detailed Medieval Scandinavia 1993 Phillip Pulsiano, Kirsten portrait of both an important man and the society of his times Wolf, 2019-10-21 First published in 1993 Medieval Scandinavia An Encyclopedia covers every aspect of the region during the Middle Ages including rulers and saints overviews of the countries religion education politics and law culture and material life history literature and art Written by a team of expert contributors the encyclopedia offers those who lack command of the various Scandinavian languages a basic tool for the study of Medieval Scandinavia from roughly the Migration Period to the Reformation With full page maps useful supplementary photos cross references and a comprehensive index this work will be a valuable and absorbing volume for students of the Norse sagas the Viking age and Old English history and literature and

for anyone interested in the cultural and historical heritage of Scandinavia The Viking Age as a Period of Religious **Transformation** Sæbjørg Walaker Nordeide, 2011 70 b w illus 14 b w tbls 14 b w line art Faith and Knowledge in Late Medieval and Early Modern Scandinavia Karoline Kjesrud, Mikael Males, 2020 This book investigates the interface between faith and knowledge in Scandinavia in the centuries before and after the Reformation a period in which the line between belief and knowledge was often blurred and local traditions remained influential While Scandinavia was undoubtedly an integral part of Latin Christendom before the arrival of Lutheranism the essays gathered together in this volume demonstrate that religious discourse still took a unique form in this region Faith was influenced by magical practices centred on remnants of Nordic paganism local wisdom literature and metaphoric language about the divine that diverged considerably from that of the Judeo Christian tradition Texts motifs and practices that were common throughout Europe were also transformed and altered within this northern setting 00Covering the late medieval up to the early modern period this volume offers new insights into intellectual culture in Scandinavia and the remarkable longevity of local beliefs even into the early post Reformation period Reforming the North James L. Larson, 2014-01-02 The turbulence of the Protestant Reformation marks a turning point in European history but the Scandinavian contribution to this revolution is not well known outside the Northern world Reforming the North focuses on twenty five years 1520 1545 A D of this history during which Scandinavians terminated the medieval Union of Kalmar toppled the Catholic Church ended the commercial dominance of the German Hanse and laid the foundations for centralized states on the ruins of old institutions and organizations. This book traces the chaotic and often violent transfer of resources and authority from the decentralized structures of medieval societies to the early modern states and their territorial churches Religious reform is regarded as an essential element in the process in the context of social unrest political conflict and long term changes in finance trade and warfare Reforming the North offers a broad perspective on this turbulent period and on the implications of the Protestant Reformation for Northern history

Conversion and Identity in the Viking Age Ildar H. Garipzanov, Rosalind Bonté, 2014 This volume presents a state of the art collection of essays on the socio cultural aspects of the conversion to Christianity in Viking Age Scandinavia and the Scandinavian colonies of the North Atlantic The nine scholars drawn from the disciplines of history archaeology and literary studies have been brought together to address the overarching topic of how conversion affected peoples identities both as individuals and as members of broader religious political and social groups on either side of the divide between paganism and Christianity Central to this exploration is the question of how existing and changing identities shaped the progress of conversion as a process of societal and more specifically cultural change Each of the papers in this volume provides examples of the complicated patterns of interaction influence and identity modification that were characteristic of the transition from paganism to Christianity in the Viking world The authors look for new ways of understanding and describing this gradual intermingling between the two fuzzy edged religious communities and they provide a challenging redefinition of the nature of

conversion in the Viking Age that will be of interest both to a wide variety of medievalists and to all those who work conversion in its theoretical and historical aspects	rk on

The book delves into Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series. Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series is a vital topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series, encompassing both the fundamentals and more intricate discussions.

- 1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series
 - Chapter 2: Essential Elements of Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series
 - Chapter 3: Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series in Everyday Life
 - o Chapter 4: Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series in Specific Contexts
 - Chapter 5: Conclusion
- 2. In chapter 1, this book will provide an overview of Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series. This chapter will explore what Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series is, why Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series is vital, and how to effectively learn about Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series.
- 3. In chapter 2, this book will delve into the foundational concepts of Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series. The second chapter will elucidate the essential principles that must be understood to grasp Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series in its entirety.
- 4. In chapter 3, the author will examine the practical applications of Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series in daily life. The third chapter will showcase real-world examples of how Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series can be effectively utilized in everyday scenarios.
- 5. In chapter 4, the author will scrutinize the relevance of Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series in specific contexts. The fourth chapter will explore how Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series is applied in specialized fields, such as education, business, and technology.
- 6. In chapter 5, the author will draw a conclusion about Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series. This chapter will summarize the key points that have been discussed throughout the book. This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Medieval Scandinavia From Conversion To Reformation Circa 80150nordic Series.
