Team Meeting Reflection

Thank you for allowing us to film your team meeting! Please use the questions below to help guide your reflection.

What are the norms of your team meeting? How were they created? Do you feel like they need to be updated/changed?

Who in your team talked the least? How can you help amplify their voice?

Were your team members engaged in the meeting? What was their body language like? Were they distracted by anything else?

Was there an opportunity during the meeting to brainstorm ideas? How can we make our meetings more collaborative?

When there was a disagreement, how was it handled? Were you able to find a compromise? Did all parties leave feeling the issues were resolved?

What was the most productive part of the meeting? How can you incorporate more meaningful conversation for next time?

Did the meeting ever get off topic? How were you able to refocus the team?

Overall, how did you feel about the meeting? Was there anything that stood out to you?

If you were to share 1-2 minutes of your meeting with others, what time would you pick? Why?
