Microserfs A Novel:

Microserfs Douglas Coupland, 1996 Young people working for Microsoft decide to make a bid for freedom by founding their own software company The novel narrated as an online journal by danielu microsoft com describes the ups and downs of raising money for a new business

Precarious Labour and the Contemporary Novel Liam Connell, 2017-10-13 This book is a major study of the presentation of work and workers in contemporary novels from India North America and the UK Drawing on lively recent theories about work it shows how the novel is a crucial form for helping us to understand what work means in contemporary society It tackles some of the most urgent questions of contemporary life by examining the stories about work that novels produce Including detailed readings of authors such as Douglas Coupland David Foster Wallace Joshua Ferris Arivand Adiga Chetan Bhagat and Monica Ali it explores how the presentation of fictional characters lays open the experience of insecure and precarious existence in the contemporary era This study illustrates that novels provide an essential tool for understanding what work is and how we feel when we do it

The Fiction of Rushdie, Barnes, Winterson and Carter Gregory J. Robinson, 2005-08-24 Literature often reflects societal change but it can also effect change by inspiring people to think in new ways Four authors who encourage readers to question traditional boundaries are Salman Rushdie Julian Barnes Jeanette Winterson and Angela Carter This book takes an in depth look at the works of these authors with specific emphasis on how they challenge religion especially in its fundamentalist forms and its intersections with history politics gender and sexuality The study notes both differences and similarities among the four authors whose writings broadly represent the major themes in contemporary British literature Divided into two primary sections the volume first takes a look at Rushdie and Barnes and their stance regarding historical and political issues The second section concentrates on gender and sexuality in the writings of Winterson and Carter Among the works examined are Rushdie s *The Satanic Verses* and *Midnight s Children* Barnes *Flaubert s Parrot* and *A History of the World in 10 1 2 Chapters* Winterson s *Boating for Beginners* and *Written on the Body* and Carter s *The Passion of New Eve* and *Heroes and Villains* The final chapter includes a brief survey of other significant figures in postmodern British literature including Martin Amis Ian McEwan D M Thomas Fay Weldon and Emma Tennant

Changing the Rules of the Game S. Hotho, N. McGregor, 2013-10-24 The computer games industry is one of the most vibrant industries today whose potential for growth seems inexhaustible This book adopts a multi disciplinary approach and captures emerging trends as well as the issues and challenges faced by businesses their managers and their workforce in the games industry

Hybrid Fictions Daniel Grassian, 2015-09-11 Since the 1960s academics have theorized that literature is on its way to becoming obsolete or at the very least has lost part of its power as an influential medium of social and cultural critique This work argues against that misconception and maintains that contemporary American literature is not only alive and well but has grown in significant ways that reflect changes in American culture during the last twenty years In addition this work argues that beginning in the

1980s a new allied generation of American writers born from the late 1950s to the early 1970s has emerged whose hybrid fiction blend distinct elements of previous American literary movements and contain divided social cultural and ethnic allegiances The author explores psychological philosophical ethnic and technological hybridity The author also argues for the importance of and need for literature in contemporary America and considers its future possibilities in the realms of the Internet and hypertext David Foster Wallace Neal Stephenson Douglas Coupland Sherman Alexie William Vollmann Michele Serros and Dave Eggers are among the writers whose hybrid fictions are discussed **Douglas Coupland** Andrew

Tate,2013-07-19 This book is the first full length study of Douglas Coupland one of the twenty first century s most innovative and influential novelists The study explores the prolific first decade and a half of Coupland s career from Generation X Tales for an Accelerated Culture 1991 to JPod 2006 a period in which he published ten novels and four significant volumes of non fiction Emerging in the last decade of the twentieth century amidst the absurd contradictions of instantaneous global communication and acute poverty Coupland s novels short stories essays and visual art have intervened in specifically contemporary debates regarding authenticity artifice and art This book explores Coupland s response in ground breaking novels such as Microserfs Girlfriend in a Coma and Miss Wyoming to some of the most pressing issues of our times Designed for students researchers and general readers alike the study is structured around thematically focused chapters that consider Coupland s engagement with narrative consumer culture space religion and ideas of the future **Male Sexuality**

Under Surveillance Graham Thompson,2005-04 Male Sexuality under Surveillance is a lively intelligent and expertly argued analysis of the construction of male sexuality in the business office Graham Thompson interweaves three main threads a historicized cultural analysis of the development of the modern business office from its beginnings in the early nineteenth century to the present day a Foucauldian discussion of the office as the site of various disciplinary practices and a queer theoretical discussion of the textualization of the gay male body as a device for producing a taxonomy of male male relations The combination of these themes produces a study that is fresh insightful and provocative **New York Magazine**

,1995-06-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Reaganism, Thatcherism and the Social Novel C. Hutchinson,2008-10-31 The social novel is the traditional haunt of the liberal conscience What does the triumph of the New Right mean for this type of fiction in Britain and the US Should the liberal left seek consensus or assertion This book examines these issues and assesses the state of both nations as well as that of the contemporary novel **New York Magazine** ,1995-06-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the

country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Material Family** Julie Torrant,2012-12-30 The Material Family is a bold new reading of the family focusing on new or post nuclear flexible family forms such as gay family divorce extended family and transnational family Reading across a range of texts from high theory to literature and popular films the book crosses disciplinary boundaries to offer a highly innovative and dynamic approach to changes in gender and other family relations Unlike most books in the fields of cultural and family studies The Material Family provides an historical and materialist argument connecting the changes within family to underlying shifts in material labor relations in global capitalism The post nuclear family is not only an affective space Torrant argues but one whose affects are themselves fundamentally shaped by class The Material Family is a must read for anyone who wants to venture beyond the surfaces of family life to the deeper lying relations that have made the family and its new forms among the most important spaces of social life Its readers will include not only students and researchers in the fields of education cultural theory and cultural studies women's studies sociology and anthropology but also general readers interested in understanding contemporary families and their struggles

The Best Novels of the Nineties Linda Parent Leshner,2015-11-17 This reader's guide provides uniquely organized and up to date information on the most important and enjoyable contemporary English language novels Offering critically substantiated reading recommendations careful cross referencing and extensive indexing this book is appropriate for both the weekend reader looking for the best new mystery and the full time graduate student hoping to survey the latest in magical realism More than 1 000 titles are included each entry citing major reviews and giving a brief description for each book *Postwestern Cultures* Susan Kollin,2007-01-01 Synthesizes topics of contemporary scholarship of the American West This work examines subjects ranging from the use of frontier rhetoric in Japanese American internment camp narratives to the emergence of agricultural tourism in the New West to the application of geographer J B Jackson's theories to vernacular or abandoned western landscapes **Naming Adult Autism** James McGrath,2017-08-15 Naming Adult Autism is one of the first critiques of cultural and medical narratives of Autism to be authored by an adult diagnosed with this condition Autism is a social disorder defined by interactions and lifestyle Yet the expectations of normalcy against which Autism is defined have too rarely been questioned This book demonstrates the value of the Humanities towards developing fuller understandings of Autistic adulthood adapting theory from Adorno Foucault and Butler The chapters expose serious scientific limitations of medical assumptions that Autistic people are gifted at maths but indifferent to fiction After interrogating such clichés in literature cinema and television James McGrath also explores more radical depictions of Autism via novels by Douglas Coupland Margaret Atwood Clare Morrall and Meg Wolitzer plus poems by Les Murray and Joanne Limburg Follow this link to see James McGrath in conversation with Kelly Anne Watson at Leeds Beckett University <https://www.leedsbeckett.ac.uk/news/james-mcgrath-in-conversation-with-kelly-anne-watson/>

M. van der Laan, 2016-06-11 This book documents and investigates the stories we have told and continue to tell about technology now the dominant feature of our civilization in fiction non-fiction film and advertising It answers important questions about the meanings people ascribe to technology the hopes and fears we express in the different narratives the effect of those narratives upon us and the new forms of myth those narratives represent *Narratives of Technology* offers an approach grounded in the humanities adding another perspective to that of social scientists and technologists **New York**, 1995-06 Bitstreams Matthew G. Kirschenbaum, 2021-10-08 In *Bitstreams* Matthew G. Kirschenbaum distills twenty years of thinking about the intersection of digital media textual studies and literary archives to argue that bits the ubiquitous ones and zeros of computing always depend on the material world that surrounds them to form the bulwark for preserving the future of literary heritage

Cybercrime Brian D. Loader, Douglas Thomas, 2013-05-13 *Cybercrime* focuses on the growing concern about the use of electronic communication for criminal activities and the appropriateness of the countermeasures that are being adopted by law enforcement agencies security services and legislators to address such anxieties Fuelled by sensational media headlines and news coverage which has done much to encourage the belief that technologies like the Internet are likely to lead to a lawless electronic frontier *Cybercrime* provides a more considered and balanced perspective on what is an important and

contested arena for debate It looks at legislation electronic criminal behaviour privacy and liberty the dangers of surveillance
Cybercrime explains the basic issues surrounding cybercrime and its impact on society
