Left stick (1) and right stick (10): These are small joysticks, raised above the controller surface, with concave rubbery pads. The left stick resides on the lower left of the front face of the controller, and the right stick resides on the lower right of the front face. The sticks are used to interact with games, apps, and the Xbox One interface. These move directionally, and they can also function as clickable buttons when you press down on them.
