Mideast Beast The Scriptural Case For An Islamic Antichrist:

Mideast Beast Joel Richardson, 2022-10-27 I am firmly convinced that Islam is the single greatest challenge the Church will face before the return of Jesus yet most are still either asleep or in denial Mideast Beast completes and establishes the revolutionary argument introduced in Joel Richardson's New York Times Bestselling Islamic Antichrist namely that the Antichrist will be a Muslim whose empire will arise out of the Middle East Whereas most students of the Bible have long held that some form of humanism or universalist religion would catapult the Antichrist to world power Mideast Beast The Scriptural Case for an Islamic Antichrist systematically proves from that the long awaited system of the Antichrist is even now before us and knocking at our door Through a highly scholarly theologically grounded yet simple presentation Richardson thoroughly corrects the objections of critics establishing beyond a doubt the Biblical case for an Islamic Antichrist

The Islamic Antichrist Joel Richardson, 2009 In The Islamic Antichrist Richardson exposes Western readers to the traditions of Islam and predicts that the end times may not be far away His book will stun readers unaware of the similarities between the Antichrist and the Islamic Jesus His research on the relationship between Christian end time prophecy and Islamic expectations of world domination will shock readers and shape the debate over radical Islam for years to come This is the book to read to understand Islam's potential role in fulfilling the prophecies of the Bible Page 2 of cover

Iran's Great Invasion and Why It's Next in Bible Prophecy Mark Davidson, 2017-02-24 What would you do What if you stumbled across a message a simple interpretation of scripture much simpler than scholars had been telling us and it opened your eyes and completely transformed your perspective of the end times What if you knew in your heart and mind it was true because news coming from the Middle East confirmed this message every day What if millions of lives were about to be deeply affected and someone had to say something And what if that someone had to be you What would you do If you want to know the truth regarding present day events in the Middle East and how they will affect you and your family you need to get this book A major fire has been lit and few are paying attention Dr Sonny Payne founder of New Gate Ministries and host of the international television program Jerusalem Chronicles What Mark has done is create a very quick read for those Christians who can feel something coming but can't put their finger on it who know that God is in control but in a world spiraling into chaos don't know where to go scripturally Chris Mantei Northeast Region Community Voice Voice of the Martyrs The message in this book needs to be heard today I wholeheartedly and enthusiastically recommend this book It will change the way you face the future Carl Sutter senior pastor Foundations Church Loveland Colorado **Biblical**

Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article

titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these

hard questions Revelation Jeff Ferguson,2021-11-03 Social injustice social distancing and masks the coronavirus pandemic earthquakes wars and rumors of wars is this really the end times When thinking about the book of Revelation death and destruction lawlessness and chaos seem to be the focus of most people Humanity especially Hollywood seems to have an insatiable appetite for the sensational devastation and death that is predicted in this biblical prophecy The problem with this is most media sources miss the main point for which these catastrophes occur the call of God for His creation to reunite with Him The book of Revelation is probably the most controversial book of the Bible Which piece of literature throughout history has had more written about it with such widely divided opinions and differing beliefs Yet through all of the existing material there is still widespread confusion and improbable comprehension regarding this prophecy However controversial it may seem Revelation is also one of the most important writings we have available concerning the Christian life today It is a compulsory read for anyone serious about living their life for Jesus Christ Revelation The Full Disclosure of Jesus Christ takes the reader verse by verse through the entire twenty two chapters of Revelation giving accurate but easy to understand explanations It is designed as a study guide for the children of God at every level of understanding The book of Revelation is both a continuation and ending of the story that began in the book of Genesis So come let us explore together the final chapter of the greatest story ever told Prophecy and Current Events in the Middle East Chuck Lee,2018-07-27 As the title implies Prophecy and Current Events in the Middle East Framing Israels and Americas Future traces Old and New Testament prophetic events beginning with the patriarch Abrams fathering of two sons who form the roots of religions now at war It details how the fulfillment of these events is impacting the world today and will impact the world in the near future The book documents ancient prophecies fulfilled through the modern miracle the nation of Israel and it delves into yet to be fulfilled prophecies of future wars that Israel will be forced to fight It documents the construction of the third temple and it examines ancient prophecies of a future tribulation time Gods hand in Israels survival and his role in the total destruction of their enemies The book documents how the prophecies of Old Testament prophets such as Daniel Ezekiel Zechariah Jeremiah Joel Asaph and Isaiah correlate perfectly with New Testament prophecies of Jesus and the apostles John Paul Peter and Jude to show Gods power and total control as this present age comes to an end **Evangelical Christian Responses to Islam** Richard McCallum,2024-02-08 Do Christians and Muslims worship the same God Who was Muhammad How does the Israeli Palestinian conflict affect Christian Muslim relations This is a book about Evangelical Christians and how they are answering challenging questions about Islam Drawing on over 300 texts published by Evangelicals in the first two decades of the twenty first century this book explores what the Evangelical micro public sphere has to say about key issues in Christian Muslim relations today From the books they write the blogs they post and the videos they make it is clear that Evangelical Christians profoundly disagree with one another when discussing Islam Answers to the questions range from seeing Muslims as the enemy posing an existential threat to Christians through to welcoming them as good neighbours or

thousand years ago the apostle Peter wrote in his second epistle that in the last days people would scoff at the notion of Christ's second coming. He also wrote that the same would be willingly ignorant of the creator God who made the universe and of the Genesis flood that overtook the entire world. True to Peter's prophecy, Charles Darwin's theory of evolution has replaced the biblical account of man's origins and the global cataclysm to which Noah was witness has been reduced to a fable. However, the candor of Genesis is beginning to emerge as scientists find evidences in geology, paleontology and genetics painting a different picture than naturalism. The same substances which are crowned as scientific proofs of deep time and of goo to you evolution showcase the very catastrophe and the account of creation that secular academia aims to censor. Following evidence of the supernatural acting upon the natural one discovers both God and his adversary in their conflict over man. But the Word of God has revealed its predetermined end and it may come sooner than many would expect. Inversely we might have little reason to fear archaic ideas let the Judeo-Christian God be a bygone already some say. With our knowledge increasing exponentially our future is bright. As scientists unlock the secrets of DNA and develop technology beyond our forefathers wildest dreams humankind may even have a shot at achieving immortality one day leaving worries of heaven and hell behind. And considering the vastness of the universe in which we hope to expand there could be intelligent life already among the stars that might one day make contact and aid us in our aspirations or this is all just part of the ruse.

Penance TC Joseph, 2016-11-21. An extremely readable and fast paced religious thriller readers will be hard pressed to find it done more intriguingly than this. Kirkus Reviews. A flash of lightning and a peal of thunder have just left an unsuspecting world spinning out of control. As Father Michael Martin attempts to deal with his losses and somehow prepare for an onslaught of evil that is preparing to befall the world he must also come to terms with the part he has played in the sudden turn of events. Michael must rely on his role as camerlengo to the new pope, the title his demented uncle Benny Cross now proudly holds to protect his family. As a solar twin bears down on Earth Michael takes it upon himself to shield as many as he can from the coming destruction and deception perpetrated by Isa Kurtoglu, the new world leader. Through it all Michael must come to grips with his treacherous past and the realization that any pain he suffers in the process is considered penance for his hand in bringing about horrifying changes to a world in which now no one is certain to survive. In this religious thriller a determined priest exposes the inner workings of the Vatican and the echelons of the power elite as a monster emerges from the darkness and wreaks havoc on the world. *Are We Ready for Jesus?* James Smith, 2015-08-25. Jonathon O'Donnell, 2020-12-01 Demonization has increasingly become central to the global religious and political landscape *Passing Orders* interrogates this centrality through an analysis of evangelical spiritual warfare demonologies in contemporary America Situating spiritual warfare as part of broader frameworks of American exceptionalism ethnonationalism and empire management author S Jonathon O'Donnell exposes the theological foundations of the systems of queer and transphobia anti blackness Islamophobia and settler colonialism that justify the dehumanizing practices of the current U.S. political order O'Donnell argues that demonologies are not only tools of dehumanization but also ontological and biopolitical systems that create and maintain structures of sovereign power or orthotaxies models of the right ordering of space time and bodies that stratify humanity into hierarchies of being and nonbeing Alternative orders are demonized as passing framed as counterfeit transgressive and transient Yet these orders refuse to simply pass on instead giving strength to deviant desires that challenge the legitimacy of sovereign violence Critically examining this challenge in the demonologies of three figures Jezebel the Islamic Antichrist and Leviathan *Passing Orders* reimagines demons as a surprising source of political and social resistance reflecting fragile and fractious communities bound by mutual passing and precarity into strategic coalitions of solidarity subversion and survival *The Racial Muslim* Sahar F.
