Midweek Romance The Langley Brothers:

The Langley Brothers Trilogy Sara Hooper, 2014-01-14 This is a specially priced collection of the Langley Brothers series by Sara Hooper. Forty Weeks. Kayla and James are from two different worlds. She is a determined black college student from Oakland, California, and he is a white party boy from the suburbs of Austin, Texas. From the moment they meet, it is magic. Though each one knows that they will go their separate ways soon enough, they are content to just be together in the time they have. Things quickly change when an unplanned pregnancy shatters their plans and forces them to reconsider their relationship. Will they be able to overcome the obstacles that threaten to tear them apart in order to raise their child together? Finally Together. The Langley brothers all lead different lives, but they remained close as they travelled the roads of success and love. When middle brother Roger finds his life suddenly on the path he had always dreamed of, the only thing missing was Jennifer, the love of his life. Would he ever be able to repair the damage done and bring her back to him? Time would be the one to tell in this story of love and loss that takes them to a place they never imagined they would be. Midweek Romance. Keith Langley is the last single Langley brother. Quickly approaching his forties, his hectic hospital schedule doesn't afford him much time to explore a private life, and the dates he does manage are usually doomed from the beginning. That is until he takes a chance and asks out his beautiful pharmaceutical rep, Caroline. Despite a bad date and some even worse timing, he soon realizes that perhaps what he needed has been right under his nose all along. Will they be able to weather the storms that come their way? *The Film Weekly*, 1957 *The Publishers Weekly*, 1924 *The New York Times Review of Books*, 1969 *New York Times Saturday Review of Books and Art*, 1969 *Break the Rules*. Roxie Noir, She's my best friend's kid sister. Now she's not a kid any more. As a forest ranger, I believe in the simple life. I prefer cabins to apartments, trails over freeways, and trees to people. My life is orderly, predictable, and quiet. Until it's hit by a woman I never saw coming. Hurricane June. She's fierce. She's feisty. She has a laugh like the first day of spring, and she's so pretty that I can't breathe when I look at her. June will only be in town for a few months, just while job hunting. She won't last until winter, but how can I resist? Except I have to. She's my best, oldest, and most loyal friend's baby sister. Betraying him would be the worst thing I've ever done. Not betraying him might be the hardest. Especially once we start working together on a secret project. All this spending time together, sneaking around at night and lying to her brother about what we're doing, sure feels like more than friendship. June might break my heart. Her brother might break my nose. But I guess some things were made to be broken. *Break the Rules* is the third book in the Loveless Brothers series and can be read as a total standalone. It's for fans of high heat, low angst romantic comedies, and anyone who's ever had a crush on their brother's best friend. This one's got all the sibling banter, you love meddling brothers, a mountain man who's quiet in the streets and anything but in the sheets, tons of steam, and all the small town charm you can handle. Of course, it's also got an HEA. And yes, it bangs. This series is for fans of Elsie Silver, Claire Kingsley, Lucy Score, Kate Canterbury, and Pippa Grant. **Wild about Weston** Katy Regnery, 2016-04-26 Wild about Weston
