

Best advice for nurses to pass the MOH exam

In order to be qualified for employment in the UAE, nursing practitioners must first pass the Ministry of Health (MOH) exam. If you correctly respond to the MOH exam questions and pass the test, you are eligible to work in the UAE, with the exception of Dubai and Abu Dhabi. Nurses must successfully complete the DHA (Dubai Health Authority) and HAAD (Health Authority of Abu Dhabi) exams in order to be employed in Dubai and Abu Dhabi.

The MOH test, a common exam, is used to certify healthcare workers in the UAE. The Ministry of Health will conduct this test. The creation of a robust workforce to support the nation's general healthcare system is the main objective of this exam.
