Harmonic Dictation: Four-Part Settings of the Tonic Triad

The tonic triad is presented with all the possibilities of soprano-line motion. Since all the chords are in root position, you can easily fill in the bass line. Listen then for the direction of the soprano line. What is the melodic interval from one note to the next? Since the soprano will itself outline the tonic triad it should be easy to work out. Finally, fill in the inner voices, paying particular attention to the rules of part-writing.
