*Houghton Mifflin Harcourt Go Math! Florida*, 2012-09-21 *Teaching As Leadership Teach For America*, Steven Farr, 2010-02-02 A road map for teachers who strive to be highly effective leaders in our nation s classrooms Teach For

America has fought the daunting battle of educational equity for the last twenty years. Based on evidence from classrooms across the country, they've discovered much about effective teaching practice and distilled these findings into the six principles presented in this book. The Teaching As Leadership framework inspires teachers to Set Big Goals, Invest Students and Their Families, Plan Purposefully, Execute Effectively, Continuously Increase Effectiveness, and Work Relentlessly. The results are better educational outcomes for our nation's children, particularly those who live in low-income communities. Inspires educators to be leaders in their classrooms and schools. Demystifies what it means to be an effective teacher, describes key elements of practice, and provides a clear vision of success. Addresses the challenges every teacher in every classroom faces on a daily basis. An accompanying website includes a wealth of tools, videos, sample lessons, discussion boards, and case studies.

Jesus Was a Liberal Joseph A. Sheridan, 2006. Sheridan was provoked by the perpetual attempt of the religious right and the ultra-conservative elements in America to label everything liberal as if it were an evil that had invested our entire society with the poisonous venom. He feels that Jesus established the basis for precisely what the Democratic Party has espoused for the past seventy-five years.
