A Few Months to Live Jana Staton, Roger W. Shuy, Ira Byock, 2001 The book reports the findings of a unique study of the last months of nine terminally ill people It looks beyond the usual categories of facts and figures of death and dying By offering detailed observations and numerous direct quotes it provides a glimpse of the real life experience of people who are living through their dying along with the family members who are caring for and living through it with them [The Gospel of Elohim](#) M.E. Grant, 2022-01-11 The title *The Gospel of Elohim* was given to Maurice by God in the year 2020 Talking to God started at a very young age about six years old At that time God introduced Himself to Maurice but never told him His name nor did any church he attended make any mention that God had a name As his relationship grew with God he always knew something was missing but was never quite sure what he was looking for As his friends began to develop and be

released in their gifts with God Maurice was sure that God would release him so that he could begin to share the things God was sharing with him Not true Instead God kept showing him more and more thing but never releasing him to share his knowledge One day in his thirties he heard a song singing the different names of God names he had never heard before Though he now knew God had different names no one really talked about these names As Maurice visited different churches he saw these names on many walls but no one explained these names God was not through with him yet He took him through many more trials and reveal more things but still had not revealed His name One day Maurice was now in his sixties God spoke to Maurice and told him he had to learn Hebrew but with no teacher Maurice went about the slow process of putting the pieces together learning Hebrew One day after many months of learning the alphabets of the Hebrew language Maurice opened a Bible and for the first time read the first verse of Genesis 1 and there it was in the beginning created Elohim the first name mention of God in the Bible Now through the book of Elohim in these last days Elohim wanted to introduce His church the name of their God Elohi

Prosperity Gospel Latinos and Their American Dream Tony Tian-Ren Lin,2020-07-21 In this immersive ethnography Tony Tian Ren Lin explores the reasons that Latin American immigrants across the United States are increasingly drawn to Prosperity Gospel Pentecostalism a strand of Protestantism gaining popularity around the world Lin contends that Latinos embrace Prosperity Gospel which teaches that believers may achieve both divine salvation and worldly success because it helps them account for the contradictions of their lives as immigrants Weaving together his informants firsthand accounts of their religious experiences and everyday lives Lin offers poignant insight into how they see their faith transforming them both as individuals and as communities The theology fuses salvation with material goods so that as these immigrants pursue spiritual rewards they are also perhaps paradoxically striving for the American dream But after all Lin observes prosperity is the gospel of the American dream In this way while becoming better Prosperity Gospel Pentecostals they are also adopting traditional white American norms Yet this is not a story of smooth assimilation as most of these immigrants must deal with the immensity of the broader cultural and political resistance to their actually becoming Americans Rather Prosperity Gospel Pentecostalism gives Latinos the logic and understanding of themselves as those who belong in this country yet remain perpetual outsiders
