We also understand how God suffers when we emerge to become a threat to ourselves and/or a threat to our fellow brothers and sisters. We must come to understand that humanity is a family and that God is the patriarch of that family. We all answer to God. We all depend upon God to maintain our daily survival. God supports our existence in his universe. God creates all human and nonhuman life. God is the centerpiece of our daily lives. We owe our lives and our livelihoods to him. A God and Humanity Book helps us to understand how we can reward God for being such a wonderful Supreme Being in our lives. This book helps us to realize how God's love for us invigorates us to achieve wonderful things such as achieving parenthood and to make humanity a better existence for all of us. This book talks about the importance of recognizing the existence of God in our lives. God must play a role in our lives for all of us to achieve success in our endeavors. We must be able to seek help from God to begin to solve the problems that we face in our daily lives. Our relationships with God will eventually lead us away from our pain and suffering and down a path of happiness, prosperity, peace, and eternal life for ourselves and for all our brothers and sisters throughout our human family.
