## God S Inspiration Of The Scriptures:

*God's Inspiration of the Scriptures* William Kelly, 2007 William Kelly 1821 1906 was an outstanding classical scholar in his generation preacher teacher editor of several influential religious magazines and of John Nelson Darby's Collected Writings and a prolific author in his own right He was a major figure in the late nineteenth century return to basic biblical teaching usually known as the Brethren movement often seen as the cradle of dispensationalism A Canadian contemporary described him as second only to Mr Darby in knowledge of the Truth and first in ability to state the Truth clearly A frequent lecturer he subsequently revised and published many of his lectures in book form His familiarity with the original languages of the Bible led to well researched expositions of both Old and New Testament books which were widely read and highly regarded by Christians in his own time and still today With a genius for exposition he combines scholarship and spirituality so that his readers gain a real sense of his unrestrained love for the Lord of whom the inspired pages of scripture speak This book exhibits with unanswerable faith and proof the perfection of Divine revelation It considers the great subject of the Inspiration of the Bible under the main headings of Divine Authority Apostolic Doctrine Its Uniformity The Human Element and Divine Design The latter topic which occupies the major part of the book consists of an introduction to each book of the Bible in turn demonstrating the evidence of its inspiration and relating it to the inspired themes of the whole The author's purpose in writing the book was to present the positive proofs that God speaks in it the Bible to every conscience and heart more particularly of Israel in the Old Testament and of the Christian in the New He shows us that one directing Author presides over each several part imparting a special character to it and at the same time causing all to contribute to the common purpose of revealing His counsels of glory and His ways of grace while fully making known the weakness or the wickedness of the creature in resisting His will and doing its own William Kelly's desire was that this work should be of help to the spiritual understanding of all who value the Bible from beginning to end **The Divine Inspiration of the Bible** Arthur

Pink, The Inspiration of Scripture Paul J. Achtemeier, 1980 Christians generally agree that the Scriptures are inspired and that this doctrine is of basic importance But how is the doctrine of inspiration to be understood and what does it mean for our Christian faith Paul Achtemeier shows how recent knowledge of the way the Scriptures were formed raises problems in regard to the traditional understanding of inspiration In response he presents possibilities for a new approach to inspiration that is compatible with recent critical discoveries and allows the Bible to continue to play a meaningful role He deals with liberal and conservative views specific contradictions in the Bible and what the Bible says about itself A perceptive study The Inspiration of Scripture proposes a view of inspiration that makes sense for today and probes its implications for the believer and the believing community **God's word written: the doctrine of the inspiration of holy Scripture explained and enforced** Edward Garbett, 1866 The Inspiration of God Dr. Allen K. Hand Sr., 2022-05-04 Firstly the objective of that

research was to assess the actions of the Civil Rights and the Progressive National Baptist Convention Inc PNBC movements

Based on 37 returns to a questionnaire of 39 reduced to 24 identified key criteria e mailed to 158 persons across the country with forwarding permission 92% of the respondents indicated that they either agreed or strongly agreed that the actions of the Civil Rights and PNBC movements were inspired of by God Additionally this research identified some serious concerns and issues that each movement mainly PNBC has to address if each will continue to exist survive Secondly the objective of that research was to document our history through our struggles through our pains and gains through our good times and bad times through the ups and the downs in other words good bad or indifferent it is what it is our story his story not their story Rev Dr Herbert D Daughtry Sr constantly admonished us to make history to interpret history and to record history or something to that effect and not necessarily in that order When we do not do it ourselves in an accurate precise truthful etc manner then others will tell their story which nine out of ten times usually is not accurate precise truthful etc The old prophet acclaimed And the LORD answered me and said Write the vision and make it plain upon tables that he may run that readeth it Habakkuk 2 2 Thirdly and lastly the objective of that research was to share information that we do not want to be locked in our minds only to take it to the so called grave Many persons who were super knowledgeable as I define it about so many things that could have blessed the world took that super valuable information to the grave what a tremendous lost As an aside the lost is on multiple levels Level one we lost them Level two we lost what they did not share with us while they were alive Level three we lost the value of that buried information That is someone could have taken that information and transformed it to new information For example Dr Gabriel A Oyibo solved the Unified Field Theorem that Albert Einstein did not live long enough to solve So many things evolved from solving that equation Just think what would have happened to those many things that evolved from solving that equation if Dr Oyibo would not have solved that theorem All those many things that evolved from solving that equation would not be in existence Level four those persons who took from those many things that evolved from solving that equation and incorporated that value into what they were doing Etc etc etc The number of these levels conceivably and theoretically approaches infinity That is there is no end to the theoretical lost when just one person does not bless the world with their knowledge wisdom and understanding

*Bible Inspiration, Preservation, and Authority: The Bible as God's Revelation* David Pratte, 2019-10-15 A study of what the Bible itself says about its inspiration preservation and authority Scripture as a complete and perfect religious guide Topics included are The Inspiration of the Bible The Historical Nature of Bible Accounts The Preservation of the Bible The Need for Bible Authority The Authority of Bible Examples and Necessary Inferences The Authority of the Old Testament Today Direct Guidance of the Holy Spirit Today Human Creeds or Majority Rule Let Your Conscience or Emotions Be Your Guide Church Traditions How God Inspired the Bible John Paterson Smyth, 1893 **The Inspiration of the Bible** Charles Bradlaugh, 1873 *A Comprehensive Dictionary of the Bible ...* William Smith, 1868 **Inspiration and Authority** Paul J. Achtemeier, 1999 In an evaluation of the Scriptures as the word of God inspiration is an essential element The long Protestant experience with this issue is both

fruitful and painful for many have drawn false conclusions from the justified belief in inspiration Paul Achtemeier is a first rate scholar who combines scientific investigation with faith and his sensitivity and honesty make this a most useful book for all interested in the Bible A better practical book on the subject would be hard to find Raymond E Brown former Auburn Distinguished Professor Emeritus Union Theological Seminary New York if Achtemeier's book reaches that large body of Christians looking for a nonfundamentalistic doctrine of Scripture it could play a major role in creating a framework for them He comes across as possessing a deep love and respect for the Bible and for the Lord and eager for people to place their minds and lives beneath its authority He offers us in the end of the doctrine of a covenantal Scripture given by God to his people for their edification and renewal a dynamic document which can perform this service two thousand years after its completion confronting us with God's Word for our situation through the power of the Spirit I am highly grateful for this book and recommend it highly to others Clark H Pinnock Professor of Theology McMaster Divinity College      **The Divine**

**Inspiration of Holy Scripture** William James Abraham, 1981      **Biblical Inspiration and the Authority of Scripture** Carlos R. Bovell, 2015-07-24 It has been some time since Catholic and liberal Protestant theologians stopped writing seriously on bibliology Meanwhile conservative evangelical theologians guard against the introduction of new ideas In an effort to make headway through this gridlock Carlos Bovell has commissioned a roundtable discussion on the prospect of whether the inspiration of Scripture might extend beyond authors and texts and if so what this might entail for the authority of Scripture Taken together the essays in this volume make an invaluable contribution to contemporary literature on the inspiration and authority of the Bible      CHRISTIAN THEOLOGY Edward D. **Finding God in Scripture** John Bertone, 2016-09-01. Why should I read the Bible? Isn't it just a lifeless and detached piece of history, an ancient relic? You may have heard people ask these questions or even asked them yourself. This book will help you find the answers to understanding the Bible in a twenty-first-century context. We have progressed as a civilization; there is no doubt. The advances in computer technology, communication, and science have improved the quality of our lives. But fundamentally, at the core, the desires and motivations of humans remain the same, and it is to this that the Bible speaks most clearly. However, interpreting the Bible requires intellectual curiosity, commitment, and a desire to discover truth. Finding God In Scripture will equip you to better understand the nature of the Bible's message and the dynamics of how to interpret it. For example, just like today's modern writers, biblical authors used various literary techniques such as the complexities associated with plot and characterization in narrative or the use of poetry evoking emotions. These literary techniques were intended to convey God's message and involvement in the world. Finding God In Scripture will show you that there is more to the Bible than the communication of historical information; there is a reality, a truth that can transform your life.

**Scripture-God's Handbook for Evangelizing Catholics** Stephen J. Binz, 2014-08-14. If you believe in the transformative power of Scripture in your life, imagine what it can do for others around you. Scripture scholar Stephen Binz has spent the past 30 years working to help Catholics with the frequent reading of Scripture through the ancient movements of *lectio divina*: listening, meditating, praying, contemplating the Word, and witnessing to it. That means reading the Bible fully, expecting the Holy Spirit to illuminate the passage we read. Now in *Scripture-God's Handbook for Evangelizing Catholics*, he brings to light the power of scripture to not only renew our lives but make us living witnesses of the Gospel. Inspired and

influenced by Pope John Paul II Pope Benedict XVI and Pope Francis Binz shows us the indissoluble connection between their call to New Evangelization and its necessary connection to the Word of God Every chapter brings you closer to Christ and closer to His Word as you Grasp the importance of recovering the evangelical dimension of Catholicism Discover the hero evangelizers in Scripture and history Learn to read the Bible as an evangelizing Catholic Understand the key link between lectio divina and the New Evangelization Identify the obstacles to hearing and witnessing to God's Word today Understand the role of Mary the Star of the New Evangelization Through Stephen's approachable but thorough coverage of the topic you'll be prepared to share with the world your joy in the Lord *God, Revelation and Authority (Set of 6)* Carl F. H. Henry, 1999-01-25 A monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done [Abridged catalogue of books in New college library](#) Edinburgh new coll, libr, 1893 **Practically Identical Bibles: The Geneva Bible, the KJV, and the NKJV?** Rick Norris, 2017-09-03 This thought provoking book discusses a scripturally based view of English Bible translations such as the Geneva Bible the KJV and the NKJV It considers and responds to several KJV only allegations against the NKJV with many facts from the Geneva Bible the KJV and the NKJV It demonstrates that a consistent application of KJV only allegations would harm the KJV itself Problems with inconsistent human KJV only reasoning are properly exposed **The Inspiration and Interpretation of Scripture** Michael Graves, 2014-02-15 What is true of Scripture as a result of being inspired What should divine inspiration cause us to expect from it The answers to these questions in the early church related not just to the nature of Scripture's truth claims but to the manner in which Scripture was to be interpreted In this book Michael Graves delves into what Christians in the first five centuries believed about the inspiration of Scripture identifying the ideas that early Christians considered to be logical implications of biblical inspiration Many books presume to discuss how some current trend relates to the traditional view of biblical inspiration this one actually describes in a detailed and nuanced way what the traditional view is and explores the differences between ancient and modern assumptions on the topic Accessible and engaging The Inspiration and Interpretation of Scripture presents a rich network of theological ideas about the Bible together with critical engagement with the biblical text [HOLY BIBLE HOLMAN BIBLE](#), 2018
