Gone to Ground George F. Underhill,1899 *Gone to Ground* Terence Hanbury White,1935 *The Battle-Ground* Ellen Anderson Gholson Glasgow,2014-05-05 In the course of Miss Glasgow's novels one may discover the social history of Virginia for more than fifty years The Battle Ground goes back to the days before the war with its picture of the great plantations and the life of the slave owners It also pictures Richmond as the capital of the Confederacy with Jefferson Davis in the tall pillared White House and all the great figures of the Confederacy coming and going in the city while the Richmond belles wondered just how much longer they could make their old dresses do The Battle Ground is so remarkable an analysis of civil war conditions that a British general recommended it to his men for reading for this very reason

Topical Themes in Argumentation Theory Frans H. van Eemeren,Bart Garssen,2012-05-05 Topical Themes in Argumentation Theory brings together twenty exploratory studies on important subjects of research in contemporary argumentation theory The essays are based on papers that were presented at the 7th Conference of the International Society for the Study of Argumentation ISSA in Amsterdam in June 2010 They give an impression of the nature and the variety of the kind of research that has recently been carried out in the study of argumentation The volume starts with three essays that provide stimulating theoretical perspectives on argumentation Subsequently some views are explained on the intriguing topics of dissensus and deep disagreement After a discussion of three different approaches to the treatment of types of argumentation some classical themes from antique argumentation theory are revisited The new research area of visual argumentation is explored in the next part The volume concludes with three reports of experimental studies concerning argumentative discourse The volume starts with three essays that provide stimulating theoretical perspectives on argumentation Subsequently some views are explained on the intriguing topics of dissensus and deep disagreement After a discussion of three different approaches to the treatment of types of argumentation some classical themes from antique argumentation theory are revisited The new research area of visual argumentation is explored in the next part The volume concludes with three reports of experimental studies concerning argumentative discourse
