We Are Not Yet Equal Carol Anderson,Tonya Bolden,2018-09-11 This young adult adaptation of the New York Times bestselling White Rage is essential antiracist reading for teens An NAACP Image Award finalist A Kirkus Reviews Best Book of the Year A NYPL Best Book for Teens History texts often teach that the United States has made a straight line of progress toward Black equality The reality is more complex milestones like the end of slavery school integration and equal voting rights have all been met with racist legal and political maneuverings meant to limit that progress We Are Not Yet Equal examines five of these moments The end of the Civil War and Reconstruction was greeted with Jim Crow laws the promise of new opportunities in the North during the Great Migration was limited when blacks were physically blocked from moving away from the South the Supreme Court s landmark 1954 Brown v Board of Education decision was met with the shutting down of public schools throughout the South the Civil Rights Act of 1964 and Voting Rights Act of 1965 led to laws that disenfranchised millions of African American voters and a War on Drugs that disproportionately targeted blacks and the election of President Obama led to an outburst of violence including the death of Black teen Michael Brown in Ferguson Missouri as well as the election of Donald Trump Including photographs and archival imagery and extra context backmatter and resources specifically for teens this book provides essential history to help work for an equal future

The New New Deal Michael Grunwald,2012-08-14 In a riveting account based on new documents and interviews with more than 400 sources on both sides of the aisle award winning reporter Michael Grunwald reveals the vivid story behind President Obama s 800 billion stimulus bill one of the most important and least understood pieces of legislation in the history of the country Grunwald s meticulous reporting shows how the stimulus though reviled on the right and the left helped prevent a depression while jump starting the president s agenda for lasting change As ambitious and far reaching as FDR s New Deal the Recovery Act is a down payment on the nation s economic and environmental future the purest distillation of change in the Obama era The stimulus has launched a transition to a clean energy economy doubled our renewable power and financed unprecedented investments in energy efficiency a smarter grid electric cars advanced biofuels and green manufacturing It is computerizing America s pen and paper medical

system Its Race to the Top is the boldest education reform in U S history It has put in place the biggest middle class tax cuts in a generation the largest research investments ever and the most extensive infrastructure investments since Eisenhower s interstate highway system It includes the largest expansion of antipoverty programs since the Great Society lifting millions of Americans above the poverty line reducing homelessness and modernizing unemployment insurance Like the first New Deal Obama s stimulus has created legacies that last the world s largest wind and solar projects a new battery industry a fledgling high speed rail network and the world s highest speed Internet network Michael Grunwald goes behind the scenes sitting in on cabinet meetings as well as recounting the secret strategy sessions where Republicans devised their resistance to Obama to show how the stimulus was born how it fueled a resurgence on the right and how it is changing America The New New Deal shatters the conventional Washington narrative and it will redefine the way Obama s first term is perceived Purging the Republican Party Ronald T. Libby,2013-11-22 This is the first book that explains the Tea Party s successful primary campaign against Republicans in Name Only RINOs Grassroots Tea Party activists adopted this strategy in 2009 shortly after the movement emerged The first successful campaign occurred in upstate New York where the Tea Party defeated Dede Scozzafava a RINO running for congress in a Republican primary that only elected Republicans to office during the previous 100 years Armed with success they defeated conservative Utah Senator Bob Bennett an eighteen year veteran and then proceeded to defeat the popular Republican RINO governor of Florida Charlie Crist and elected the virtually unknown Tea Party candidate Marco Rubio This placed all Republicans on notice that if they do not follow conservative fiscal policies they could be primaried The Tea Party s goal is to take control of the Republican Party and return it to its original fiscal conservatism *Democracy Betrayed* Steven Rosenfeld,2018-03-06 An impassioned takedown of the undemocratic features of American electoral politics and their role in the 2016 election Americans are taught to cherish our democracy especially our right to vote But after the 2016 presidential election we are confronted yet again with the reality that our system is neither free nor fair Almost every step along the way is filled with intentional and unintentional pitfalls barriers and dysfunction The results disadvantage discourage and ultimately disenfranchise but a myth persists that our elections and democracy are exemplary Our system is adept at pre empting the very citizens whose participation would upend governing classes and economic elites That s done by making voting more complicated less accountable and resistant to reform Whether we re talking about voter ID laws superdelegates convoluted state recount rules or the archaic Electoral College procedures have greater weight than democratic principles or evidence based determinations Democracy Betrayed catalogs the long litany of ways our elections failed and continue to fail their billing as model democracy It will look through the lens of impassioned skepticism highlighting what went wrong and conveying why that need not be the case More people registered to vote in 2016 than ever before even if turnout was about the same as 2012 That shows people want a system they can believe in This book will speak to them and show them how they can fight for a better democracy **Lessons**

Learned from the 2008 Election United States. Congress. House. Committee on the Judiciary. Subcommittee on the Constitution, Civil Rights, and Civil Liberties, 2009 **CQ Weekly**, 2010
