A Study of Sophoclean Drama Gordon MacDonald Kirkwood, 1994 A study in the dramatic methods of Sophocles especially in the revelation of character as the primary essence of Sophocles art

General Catalogue of Printed Books British Museum. Department of Printed Books, 1968

The Text of Handel's Messiah Marybeth Haufler, 2025-03-28 Is Handel's Messiah anti Judaistic The question has been coursing through the academic world for some time now This book shows the oratorio's text to be more often than not in agreement with traditional Jewish translation and commentary Moreover its divergences from ascribed King James Version and Book of Common Prayer texts in preference for those sourced by the Codex Alexandrinus and Peshitta evidence not only librettist Charles Jennens philological prowess but also the oratorio itself as example of eighteenth century English scholarship at its very best Der Text von Händels Messiah Eine Zeitkapsel der frühneuzeitlichen Textkritik Ist Händels Messiah anti judaistisch Die Frage bewegt zurzeit die akademische Diskussion Die Studie zeigt dass dieser Vorwurf ins Leere greift Denn der Oratorientext stimmt mit traditionellen jüdischen Übersetzungen und Kommentaren überein Die Abweichungen von der King James Version und dem Book of Common Prayer die dem Codex Alexandrinus und der Peschitta entsprechen beweisen nicht nur die hohe philologische Gründlichkeit des Librettisten Charles Jennens sondern auch die ausgewogene Komposition des Oratoriums selbst Das Libretto ist ein Beispiel bester englischer Wissenschaft des 18. Jahrhunderts

Greek Epigram in the Roman Empire Gideon Nisbet, 2003 Satirical or skoptic epigram emerged as a distinctive new sub genre of Greek literature in the Roman empire the mid first century CE and flourished for at least a century It was imitated by Martial but it is now rarely read In this book the first substantial treatment of the subject Gideon Nisbet rehabilitates skoptic epigram introduces its authors gives an account of its development and situates it within its cultural context He also suggests striking new ways of reading ancient epigram and examines satire's engagement with gender identity and power

The Cycle of Troy in Geoffrey Chaucer José María Gutiérrez Arranz, 2009-10-02 The aim of the author of this book is to bring home not only to researchers but to every kind of audience the repercussions of a literary topic that was an essential part of Classical education and even more a crucial subject in and outside the academic world In ancient Greece and Rome the Cycle of Troy was viewed as an essential compilation of information and educational models which was a vivid testimony throughout the history of Greek and Roman influence Yet in the middle Ages Trojan myths just as with those concerning other characters like Hercules or Jason were transformed into models of human behaviour i.e. underwent the process of moralization We say Moralitee to point out how

Geoffrey Chaucer recreates those myths Although we will extensively discuss how Chaucer recreates the Trojan myths in his works we can anticipate what the reader will find Chaucer manipulates his material from a multifold point of view first of all Chaucer was a man of his times an unquiet mind and personality who always plays different games with that material We might consider heroic the fact that Chaucer would pour out on his work the great background that the European writers mainly Boccaccio Dante and Petrarch supplied him we will remember how difficult collecting information was in a period of vast lack of what we might call media Come what may he projects his wisdom to stress the most surmounting aspects of the formal characterization of the myths and integrates them into the proper contexts of his works as one of the key forces that the audience is expected to revive with the knowledge that it is supposed to own **American Book Publishing Record** ,1996 Synopsis Andrew D. Dimarogonas,1999-02-19 Lists the scholarly publications including research and review journals books and monographs relating to classical Hellenistic Biblical Byzantine Medieval and modern Greece The 11 indexes include article title and author books reviewed theses and dissertations books and authors journals names locations and subjects The format continues that of the second volume All the information has been programmed onto the disc in a high level language so that no other software is needed to read it and in versions for DOS and Apple on each disc Annotation copyrighted by Book News Inc Portland OR **Music, Books on Music, and Sound Recordings** Library of Congress,1983
