new life he is now slowly and patiently building His memories of playing in a more robust era of the game before the days of multi million pound salaries and all the rest of the modern football circus will appeal to plenty of nostalgic football fans as well as to all those who remember him as one of the game s all time greats Equally his unflinching recollections of his darkest days culminating in his time in prison are about as far from the Beautiful Game as anyone can imagine and as fascinating as they are sometimes uncomfortable In the end however his stunningly successful career at Chelsea has ensured that he remains loved by fans despite his troubles The world is all too familiar with tales of once famous sportsmen and women falling from grace Kerry Dixon s story however is unique at once for its flashes of humour in adversity its clear eyed reflections on a different age of football when leading players could all too easily be treated as disposable and for its humility For Kerry Dixon as this often moving autobiography shows the only way is up with a foreword by Frank Lampard and contributions from Harry Redknapp and Pat Nevin Harry's Games John Crace,2013-04-18 Who is Harry Redknapp Football genius or football chancer Master tactician or practical joker How is it that even when he was facing court proceedings for tax evasion so many people were still seriously tipping him to be the next England manager How can one man have two such diametrically opposed and incompatible career trajectories Does the longing to have an English manager in charge of the national side warp people s thinking To Portsmouth fans Redknapp was the man who walked on water and won them an FA Cup To Southampton fans he is still the devil incarnate who had them relegated before jumping ship to their arch rivals Spurs fans aren t sure what he is bit don t care as long as he keeps the team together and winning Sometimes he s the Messiah at others the clown Whoever he is Crace is determined to find out **My Autobiography** Harry Redknapp,Martin Samuel (Sportswriter),2013 Harry Redknapp is without doubt one of the most charismatic well respected managers in the Premiership admired by home and rival supporters alike Time and again he has worked wonders with limited budgets motivating his players to heights no one thought possible This is the story of a remarkable manager
