Theology and Survival Movies Ioan Buteanu,2023-03-03 This book provides an innovative analysis of the survival movie genre from an Orthodox Christian anthropological perspective Grounded in the Orthodox tradition the approach builds from the first chapter of Genesis where man is described as made in the image and after the likeness of God It offers a nuanced theological exploration of the concept of the survival movie and examines a number of significant cinematic creations illustrating how issues of survival intersect romantic Western science fiction and war films The author reflects on how survival movies offer a path for the study of human nature given they depict people in crisis situations where they may reveal their true characters As well as discussing the role of a limit situation as a narrative element the book highlights the spiritual aspect of survival and points to the common hope in survival movies for something more than biological survival It is valuable reading for scholars working in the field of religion and film
