

Hatfield And Mccoy

Stephen W. Snuff

Hatfield And Mccoy:

The Feud Dean King, 2013-05-14 For more than a century the enduring feud between the Hatfields and the McCoys has been American shorthand for passionate unyielding and even violent confrontation Yet despite numerous articles books television shows and feature films nobody has ever told the in depth true story of this legendarily fierce and far reaching clash in the heart of Appalachia Drawing upon years of original research including the discovery of previously lost and ignored documents and interviews with relatives of both families bestselling author Dean King finally gives us the full unvarnished tale one vastly more enthralling than the myth Unlike previous accounts King s begins in the mid nineteenth century when the Hatfields and McCoys lived side by side in relative harmony Theirs was a hardscrabble life of farming and hunting timbering and moonshining and raising large and boisterous families in the rugged hollows and hills of Virginia and Kentucky Cut off from much of the outside world these descendants of Scots Irish and English pioneers spoke a language many Americans would find hard to understand Yet contrary to popular belief the Hatfields and McCoys were established and influential landowners who had intermarried and worked together for decades When the Civil War came and the outside world crashed into their lives family members were forced to choose sides After the war the lines that had been drawn remained and the violence not only lived on but became personal By the time the fury finally subsided a dozen family members would be in the grave The hostilities grew to be a national spectacle and the cycle of killing kidnapping stalking by bounty hunters and skirmishing between governors spawned a legal battle that went all the way to the United States Supreme Court and still influences us today Filled with bitter quarrels reckless affairs treacherous betrayals relentless mercenaries and courageous detectives **The Feud** is the riveting story of two frontier families struggling for survival within the narrow confines of an unforgiving land It is a formative American tale and in it we see the reflection of our own family bonds and the lengths to which we might go in order to defend our honor our loyalties and our livelihood

Feud Altina L. Waller, 2012-12-01 The Hatfield McCoy feud the entertaining subject of comic strips popular songs movies and television has long been a part of American folklore and legend Ironically the extraordinary endurance of the myth that has grown up around the Hatfields and McCoys has obscured the consideration of the feud as a serious historical event In this study Altina Waller tells the real story of the Hatfields and McCoys and the Tug Valley of West Virginia and Kentucky placing the feud in the context of community and regional change in the era of industrialization Waller argues that the legendary feud was not an outgrowth of an inherently violent mountain culture but rather one manifestation of a contest for social and economic control between local people and outside industrial capitalists the Hatfields were defending community autonomy while the McCoys were allied with the forces of industrial capitalism Profiling the colorful feudists Devil Anse Hatfield Old Ranel McCoy Bad Frank Phillips and the ill fated lovers Roseanna McCoy and Johnse Hatfield Waller illustrates how Appalachians both shaped and responded to the new economic and social order

The Hatfields & the McCoys Otis K. Rice, 2010-09-12 A

captivating account of two families whose stubbornness and loyalty were exceeded only by their capacity for a terrible revenge Southern Living The Hatfield McCoy feud has long been a famous part of Appalachian history but over the years it has become encrusted with myth and error Novelists motion picture producers television writers and others have neglected to separate fact from fiction and sensationalized events that needed no embellishment Using court records public documents official correspondence and other sources Otis K Rice presents an account that frees as much as possible truth from legend He weighs the evidence carefully avoiding the partisanship and the attitude of condescension and condemnation that have characterized many of the writings concerning the feud He also sets the feud in the social political economic and cultural context of eastern Kentucky and southwestern West Virginia in the late nineteenth and early twentieth centuries By examining the legacy of the Civil War the weakness of institutions such as the church and education system the exaggerated importance of family the impotence of the law and the isolation of the mountain folk Rice gives new meaning to the origins and progress of the feud These conditions help explain why the Hatfield and McCoy families which have produced so many fine citizens could engage in such a bitter and prolonged vendetta

Reunion Ron McCoy, 2015-04-17 Reunion is the story of one man's journey to discover his family heritage in the shadow of America's most famous feud The American saga of the Hatfield McCoy feud continues to intrigue people fascinated by even the smallest details of the story People are drawn to the tale of two families caught up in a tragic vendetta in the rugged Appalachian Mountains of Kentucky and West Virginia But this is not a book about the feud Until the author was thirty five years old he did not know he was related to the clan This is a book about discovery It is the story of enduring challenges surprising revelations and new found family It is a personal journey to connect with the past and understand its relationship to the future It is the story of family members past and present whose choices decisions and actions both good and bad have directly affected and shaped the lives of generations to come Ron McCoy is the great great great grandson of Randolph McCoy patriarch of the family at the time of the feud His improbable discovery of his family heritage led to his involvement in seminal events that added new chapters to its history He helped organize the first national reunion of the Hatfields and McCoy's in 2000 In 2003 he helped shepherd the historic Hatfield McCoy truce signing an event carried live on national television

The True Story of the Hatfield and McCoy Feud L.D. Hatfield, 2015-10-26 There have been several versions written of this widely known altercation between the two prominent mountain families but no two of them have coincided as to the facts concerning a feud which has become nationally and even internationally known throughout the years since these two clans stalked each other in the wilderness recesses of Tug River along the borders of West Virginia and Kentucky which were at that time very sparsely settled It has been commonly rumored that the feud actually started because of a dispute between the two clans over the ownership of a hog This however is not true It is true that there had been some trouble in this respect prior to the actual beginning of the feud but a more or less satisfactory settlement had been made concerning the hog In those days there were vast uninhabited

tracts of land in this section of West Virginia and Kentucky covered by dense forest which afforded an unsurmountable amount of mast upon which the hogs of various settlers would feast during that particular season of the year Each settler would have a certain mark by which his hogs could be recognized from those of his neighbors These marks would be cut in the ears of the hogs by their owners with the keen bladed knife of the frontiersman by cutting what was known as the swallow fork in the left ear an upper cut in the right ear or perhaps an underbit in one ear and some other mark in the other ear and each settler would have a different mark When the acorns and other nuts from the native trees in the forest began to drop in the fall of the year the settlers would drive their hogs into these woodland areas and leave them for weeks and months so that they might grow and fatten on the nuts and when the time came to round up the hogs each settler would know his hogs by these markings

An American Vendetta Jackie Lee Hatfield Jr.,2025-02-01 An American Vendetta The Hatfield McCoy Feud Revisited By Theron Clark Crawford with updated material by Jackie L Hatfield Jr Originally published in 1889 An American Vendetta by journalist Theron Clark Crawford offers one of the earliest and most vivid accounts of the infamous Hatfield McCoy feud Through firsthand interviews including a rare conversation with Anderson Devil Anse Hatfield Crawford paints a sensational and dramatic portrait of the violence that erupted between these two Appalachian families along the Kentucky West Virginia border This reprint honors the historical significance of Crawford s work while placing it in proper context with newly added material by Jackie L Hatfield Jr the 3rd great grandson of Devil Anse Hatfield Jack s thoughtful commentary and updated insights help readers separate fact from fiction revealing how 19th century media shaped national perceptions of Appalachian people as backward lawless and violent Part historical document part cultural reflection this edition is essential reading for anyone interested in the legacy of the Hatfield McCoy feud Appalachian history or the evolution of journalism and public opinion in post Civil War America With its combination of original narrative and modern perspective An American Vendetta is both a gripping read and a valuable educational resource that reclaims the voices and truths of a complex chapter in American history

The Hatfields and the McCoys Otis K. Rice,2010-09-12 The Hatfield McCoy feud has long been the most famous vendetta of the southern Appalachians Over the years it has become encrusted with myth and error Scores of writers have produced accounts of it but few have made any real effort to separate fact from fiction Novelists motion picture producers television script writers and others have sensationalized events that needed no embellishment Using court records public documents official correspondence and other documentary evident Otis K Rice presents an account that frees as much as possible fact from fiction event from legend He weighs the evidence carefully avoiding the partisanship and the attitude of condescension and condemnation that have characterized many of the writings concerning the feud He sets the feud in the social political economic and cultural context of eastern Kentucky and southwestern West Virginia in the late nineteenth and early twentieth centuries By examining the legacy of the Civil War the weakness of institutions such as the church and education system the exaggerated importance of family the impotence of the

law and the isolation of the mountain folk Rice gives new meaning to the origins and progress of the feud These conditions help explain why the Hatfield and McCoy families which have produced so many fine citizens could engage in such a bitter and prolonged vendetta [The Hatfield-McCoy Feud Reader](#) Clarence Shirley Donnelly,1972 **The Hatfields and the Mccoys** John R. Spears,2013-04-02 Originally published in the November 1888 issue of Current Literature magazine THE HATFIELDS AND THE McCOYS THE DRAMATIC STORY OF A MOUNTAIN FEUD chronicles the true events of the notorious Hatfield and McCoy feud of the late 1800s Sample passage When the gang reached the Kentucky side they stopped and by dashing water into Farmer s face revived him that he might suffer the more Then they forced the prisoners along the grassy bank under the trees until a slight depression was reached Here were a number of pawpaw trees The prisoners were there thrown to the ground and then raised on their knees and each one tied in that position to a pawpaw bush Talbot who had asked to be shot in the face was tied with his back to his executioners but Farmer who was already nearly dead with fear was tied facing them The lad was tied facing his brothers and then the gang formed in line and Bad Anse shouted to Wall who was on the other side of the river for the word As it came they all fired and the two older brothers Talbot and Farmer fell dead The crying of the lad had ceased through horror and fear After a few shots had been fired into the dead bodies by Cap and Jonce Hatfield Ellison Mounts and Tom Mitchell to gratify their innate thirst for the safe shedding of blood the gang started down the river But fear overcame one of their number Alex Messer and he said Dead men tell no tales He referred to the lad who had recognized them all **Blood Feud** Lisa Alther,2013-02-05 America s most notorious family feud began in 1865 with the murder of a Union McCoy soldier by a Confederate Hatfield relative of Devil Anse Hatfield More than a decade later Ranel McCoy accused a Hatfield cousin of stealing one of his hogs triggering years of violence and retribution including a Romeo and Juliet interlude that eventually led to the death of one of McCoy s daughters In a drunken brawl three of McCoy s sons killed Devil Anse Hatfield s younger brother Exacting vigilante vengeance a group of Hatfields tied them up and shot them dead McCoy posses hijacked part of the Hatfield firing squad across state lines to stand trial while those still free burned down Ranel McCoy s cabin and shot two of his children in a botched attempt to suppress the posses Legal wrangling ensued until the US Supreme Court ruled that Kentucky could try the captured West Virginian Hatfields Seven went to prison and one mentally disabled yelled The Hatfields made me do it as he was hanged But the feud didn t end there Its legend continues to have an enormous impact on the popular imagination and the region With a charming voice a wonderfully dry sense of humor and an abiding gift for spinning a yarn bestselling author Lisa Alther makes an impartial comprehensive and compelling investigation of what happened masterfully setting the feud in its historical and cultural contexts digging deep into the many causes and explanations of the fighting and revealing surprising alliances and entanglements Here is a fascinating new look at the infamous Hatfield McCoy feud [The Hatfields & The McCoys](#) Charles River Editors,2025-06-21 They were men who matched the mountains they were Hatfields and McCoys They were men who matched the mountains

They were men when they were boys Jimmy Wolford A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known The feud between the Hatfields and McCoys is the stuff of American legend and has become synonymous for vendettas In fact it has become its own term for any large scale disagreement and has made its way into everything from music to television and movies Though the fighting took place over a century ago Americans remain so fascinated by it that The History Channel's 2012 miniseries about the feuding families set records for cable television ratings These days the feud between the Hatfields and McCoys is a celebrated piece of American folklore but for two families living along the West Virginia Kentucky border during the last half of the 19th century the feud was literally a matter of life and death 21st century America might celebrate this relic of the country's rural past but modern society would also likely scoff at the idea of a couple of rural families taking pot shots at each other through the woods over slights as insignificant as a stolen pig Nevertheless for the Hatfields and McCoys the feud was every bit as dangerous as a modern gang war or organized crime activity While the feud may be harder to understand today it was a microcosm of other conflicts that shaped America's destiny First it represents the heritage of the blood feud that came to the United States with those immigrating from Scotland and Ireland The backcountry of the South was settled primarily by immigrants from the Celtic fringe of Great Britain Scotland Northern England Cornwall Wales and Ireland For these settlers family ties were paramount loyalty was key and conflicts were settled with violence The feud also demonstrated the continuing importance of honor in the South in the late 19th century and a notion that personal honor should be defended against actual or perceived slights with violence Clearly the South's code of honor persisted long after the Civil War as did tension between supporters of the Union and the Confederacy American Legends The Hatfields The McCoys chronicles America's most famous blood feud from the origins of each family to the events that sparked the fighting Along with pictures of important people places and events you will learn about The Hatfields and The McCoys like you never have before in no time at all **The Hatfield - McCoy Feud Reader** Shirley Donnelly, 1971-01-01 **An American Vendetta** T. C. Crawford, 2013-06 A Story of Barbarism in the United States Initially published in 1889 An American Vendetta represented one of the earliest journalistic accounts of the now famous Hatfield and McCoy Feud During that time period many across the country first came to hear of the story through the pages of this book Besides telling the complex and bloody story of the feud often in blunt and harsh terms this volume penned by New York World reporter Theron C Crawford presents the only known interview with feudist Anderson Devil Anse Hatfield conducted in Hatfield's home in Logan County West Virginia At the time of Crawford's writings the family conflict was at its greatest intensity The brutal massacre at Randall McCoy's cabin by the Hatfields which resulted in the death of two of his children Alifair and Calvin had taken place just months earlier on New Year's Day 1888 One week

later Crazy Jim Vance was killed by Hatfield archenemy Bad Frank Phillips It was in the shadow of this bloody backdrop that Devil Anse during his interview with Crawford stressed that he wanted peace with the McCoys but had no intention of disarming or surrendering to law officers or bounty hunters Peace it turns out was still a few years off After many decades American Vendetta a Hatfield and McCoy Feud classic is available again T C Crawford s colorful interviews his vivid description of the region and the brutal feud accounts make this volume fascinating to read and a must for every library collection American Vendetta is a valuable work of American history

The Blood Feud Stephen W. Snuff,2012-08 The Hatfield McCoy feud of the 1880s and some time thereafter is one of the noted stories of folklore in America Today the causes of that family and friends war between the Hatfields and the McCoys will be considered the events which led up to the tragedy There were many causes an accumulation of things which finally touched off the feud or private war which it actually was between two determined families First cause I think can be attributed to the very natures of those concerned Both families were people of nerve because blood of British origin pulsed in their veins That blood bespoke stubborn resistance and unflinching determination an unwavering set Came the Civil War of 1861 65 and neighbor lined up against neighbor In the Union corner was Randolph McCoy leader of the McCoy clan In the Confederate corner six feet of devil and 180 pounds of hell according to Randolph McCoy was Anderson Devil Anse Hatfield head of the Hatfield horde When the war ended in 1865 the internecine feelings of these two neighboring families only the narrow Tug River separated them did not make for friendly relations Indeed it had been rumored that Devil Anse Hatfield in the course of his warfare sometime before the Civil War ended had slain Harmon McCoy a brother of Randolph McCoy This rumor was never proven In fact some stated that Jim Vance later to die in the feud as a friend of the Hatfields was the one who murdered Harmon McCoy Whoever killed Harmon McCoy is unknown for sure even to this day but one thing is sure his death created ill feeling between the McCoys and the Hatfields from the McCoy corner of course A third cause of the feud was a family quarrel which wound up in the court of a justice of the peace That was eight years after the Civil War had ended In those days in the rugged regions of the Tug the people let their hogs run loose and fatten on the mast of nut bearing trees chestnut acorn hazel and other trees Hogs were marked their ears being cut with definite earmarks In fact a farmer then had his own earmarks registered with the county court just as he put deeds to his real estate on record

The Devil's Brigade Jackie Hatfield, Jr.,2025-04 *The Hatfields* George Elliott Hatfield,1988

The Hatfields and the McCoys Virgil Carrington Jones,1948 History of the famous 19th century mountain feud

The Hatfields and the McCoys Kirra Fedyszyn,2014-07-15 The American Civil War was a time of great upheaval in our nation Slavery was becoming a major issue and the decision over what to do formed a great rift in our nation The story of the Hatfields and McCoys demonstrates just how high emotions ran between the two sides One man s choice to fight for the Union when his neighbors have joined forces with the Confederacy launches two families into an infamous feud that lasts for half a century and causes many deaths

Eat'n with the Hatfield's Jackie Hatfield, Jr.,2015
