

This diagram is an exploded view of a mechanical assembly, likely a pump or motor component. It features numerous numbered callouts (1 through 40) pointing to various parts. The assembly includes a central housing, a shaft with a pulley, and various fasteners and seals. Two circular insets provide detailed views of specific components: the top-right inset shows a detail of a rectangular block with a circular feature, and the bottom-right inset shows a detail of a triangular or conical component. The diagram is oriented horizontally, with the main assembly on the left and the detail insets on the right.
