Tom Slemen HAUNTED LIVERPOOL 27

Narrated by Nigel Peever

Haunted Liverpool 4

Pamela Russell

Haunted Liverpool 4:

Haunted Liverpool Thomas Slemen, 2008-12 *Haunted Liverpool 16* Thomas Slemen, 2008-05 **Haunted Liverpool 4** Tom Slemen, 2014-12-05 Welcome to Haunted Liverpool 4 a casebook of the bizarre the macabre the uncanny the spinechilling and the unbelievable but all of the 55 stories in this book are true and have been meticulously researched by the legendary chronicler and investigator of the unknown Tom Slemen Read if you dare about the sinister abductors of St Luke's Church the grisly salty account of the wicked sea captain who dismembered his wife and fed her to the seagulls his crazed ghost still haunts his old house even today Other stories from the periphery of our known world concern mind bending and heart stopping excursions into a supernatural dimension which other books don't even touch upon The Three Knocks of Death Weird Chain Letters Phonecalls from the Dead Phantom hangings of witches and much more to give you sleepless nights

800 Years of Haunted Liverpool John Reppion, 2008-06-02 This creepy collection of true life tales takes the reader on a tour through the streets cemeteries alehouses attics and docks of Liverpool Drawing on historical and contemporary sources and containing many tales which have never before been published it unearths a chilling range of supernatural phenomena from the Grey Lady of Speke Hall to the ghost of John Lennon airport Copiously illustrated with photographs maps and drawings this book will delight anyone with an interest in the supernatural history of the area It is the first complete guide to the paranormal history of the region Liverpool's Children in the Second World War Pamela Russell, 2011-11-30 This is the untold story of Liverpool's children in the Second World War Whilst everyone is familiar with the tales of evacuees who were rushed out of the cities once the bombs started falling many of us are unaware that many stayed behind either by choice or necessity as the city of their childhood disintegrated and burned around them In the words of those who experienced the Liverpool Blitz first hand we hear of their adventures and misadventures the fun and games and ever present danger and the humor and sorrow of those wartime years This is an important and revealing look at the war as seen through the eyes of these children This book not only explores the memories of a childhood ravaged by war but also the formative effect this had on individuals lives It reflects the collective spirit of a city that refused to be crushed even at the darkest hours of the Luftwaffe's bombing campaign Ideal for anyone who lived through those times or who is fascinated by experiences and the legacy of the wartime generation this new title pays tribute to the war's forgotten children

Australia's Haunted History Trudy Toohill, 2016-05-04 Australia's Haunted History is a collection of spine tingling blood curdling frightening and often mysterious Australian paranormal tales from throughout our country's turbulent past Many of these historical accounts of spectral hauntings and strange happenings were documented in early Australian newspapers and have been accurately transcribed in the pages of this book These ghostly sightings will challenge even the most ardent sceptic Many of these chilling events remain largely unexplained to this day Murder and mayhem mystifying mysteries haunted houses ghostly goldfields shocking tragedies pestering poltergeists strange and bizarre happenings they

are all included Many of the historical ghost tales in this book have been forgotten through the passing of time Australia's Haunted History will bring these creepy tales back to life and spark the imagination of a new generation to ask that poignant question are ghosts real Old favourites have not been overlooked and several tales of well known Australian ghosts are included If you love a good ghost story Australia's Haunted History will keep you entertained for hours But be careful after reading this book you may need to sleep with the light on *Paranormal Merseyside* S. D. Tucker, 2013-01-15 A fabulous collection of ghostly hauntings in Merseyside *The Traveller's Guide to Fairy Sites* Janet Bord, 2004 Concentrating on places that are identifiable and able to be visited today the sources drawn on range from traditional folklore to modern first hand sighting reports The entries give precise locations including Ordnance Survey map references All the different types of Little People are represented They are mostly not the pretty winged fairies that appear in children's picture books Real fairies can be frightening By reading these stories and travelling to the fairy sites the reader will gain a sense of what it is to inhabit that Otherworld of the fairies Book jacket *The English Civil War* Charles J Esdaile, 2024-08-30 Cavaliers and Roundheads are figures who appear in hundreds of English ghost stories In this innovative account Charles Esdaile argues that such tales are in reality folk memories of an episode of English history that was second only to the Black Death in terms of individual and collective suffering alike and further that they reveal important truths about the way in which the conflict was represented it is no surprise then to find that spectral Cavaliers are often romantic figures and revenant Roundheads grim ones full of menace Yet the book is no mere catalogue On the contrary rather than being discussed in a vacuum the tales of haunting are rather set within a detailed regional history of the conflicts of 1642-1651 of a sort that has never yet been attempted but is for all that badly needed *Ramsey Campbell* Gary William Crawford, 2013-12-05 As the author of more than two dozen novels and hundreds of short stories as well as essays reviews and columns Ramsey Campbell is one of the most prolific writers in the field of horror literature The consistently high level of quality in his work has resulted in every major award that weird fiction has to offer including the Grand Master Award of the World Horror Convention the Lifetime Achievement Award of the Horror Writers Association and the Living Legend Award of the International Horror Guild Strangely though relatively little criticism has been written about Campbell In *Ramsey Campbell Critical Essays on the Modern Master of Horror* Gary William Crawford has assembled a collection of articles that examine the work of one of weird fiction's most revered writers These essays look at a number of elements that characterize Campbell's stories and novels including comparisons to H P Lovecraft who was an early inspiration Campbell's modern variations of Gothic fiction his concept of evil religious subtext in his fiction and how adversities Campbell has faced have shaped his life and his work In all these essays pay homage to Campbell's painstaking craftsmanship and show that there is much to be mined in his fiction Because Campbell is so important in the genre of horror literature this book serves as a much needed affirmation of his work It will be of interest to scholars of supernatural fiction in general but also to devoted fans of this major figure in weird fiction

A Brief Guide to Ghost Hunting Leo Ruickbie, 2013-08-15 There has been an upsurge in books television programmes films and websites exploring the reality or otherwise of the spirit world Not since the founding of The Ghost Club in 1862 and the Society for Psychical Research in 1882 has ghost hunting been so popular Television and the internet in particular have fueled this new level of interest creating a modern media phenomenon that spans the globe But while the demand for information is high good information remains scarce *A Brief Guide to Ghost Hunting* leads us through the process of ghost hunting from initially weighing the first report to choosing equipment and investigating and identifying the phenomena with an analysis of the best places to go looking methods of contacting the spirit world how to explain paranormal activity and crucially how to survive the encounter However it is also a book about ghost hunting itself drawing on 130 years of research in the cavernous archives of the Society for Psychical Research and even older history to find the earliest ghost stories *A Ghost Hunting Survey* makes use of interviews with those billing themselves as ghost hunters to find out their views motivations and experiences New and original research makes use of statistics to map the nebulous world of apparitions while a *Preliminary Survey of Hauntings* offers an analysis of 923 reported phenomena from 263 locations across the UK This is as far as possible an objective presentation of ghosts and ghost hunting It is no wonder that mainstream science largely refuses to deal with the subject it is too complicated Without trying to convince you of any viewpoint this book is intended to help you understand more

Ghosted Alice Vernon, 2025-09-11 A social historical and scientific exploration of ghost hunting and why our fascination with the paranormal is as timeless as the ghosts we hope to find The history of ghosts is ancient but the history of active ghost hunting is relatively recent and investigations into the paranormal have developed hand in spirit hand with scientific discoveries from radio waves to smartphone apps Now more than ever we want to find our own ghosts Is it to help process grief Become influencers Or ease our fears of death *Ghosted* follows the story of paranormal investigations from the Victorian era to the modern day examining how our fascination with ghost hunting has changed alongside technology and culture Where we once gathered around tables observing and recording every movement of the medium we now take electronic equipment and app laden phones around haunted locations to catch ghosts digitally Where theatres and concert halls held sold out performances by conjurers recreating the tricks of fraudulent mediums we now delight in picking apart and exposing the evidence presented on reality television programmes In this book Alice Vernon embarks on a journey to encounter a ghost travelling to some of the UK's most haunted locations and encouraging readers to interrogate their own scepticism and belief *Ghosted* examines what we are looking for why we are looking for it and why have we never given up the ghost

The Martians Have Landed! Robert E. Bartholomew, Benjamin Radford, 2011-11-08 History is replete with examples of media created scares and panics This book presents more than three dozen studies of media scares from the 17th century to the 21st century including hoaxes perpetrated via newspapers radio television and cyberspace From the 1835 batmen on the Moon hoax to more recent bird flu scares and Hurricane Katrina myths this book explores hoaxes that

highlight the impact of the media on our lives and its tendency to sensationalize Most of the hoaxes covered occurred in the United States though incidents from Europe Asia Africa South America and Australia are featured as well Several are global in scope revealing the power global media wields *From Forecastle to Cabin* Samuel Samuels, 2012-03-05 This is the autobiography of an American who ran away to sea at the age of 11 and charts his rise from the lowliest seaman berthed under the forecastle to the command of his own ship and the occupation of the luxurious after cabin In the course of an action packed career spanning half a century he experienced almost all of the vicissitudes of life in the nineteenth century merchant service storm and shipwreck famine and disease press gangs and desertion piracy violence and mutiny this last at different times as both mutineer and victim Like many a sailor he was often in more danger ashore than afloat but many of his adventures make excellent stories not least his romantic but foolhardy rescue of a Christian woman from the harem in Constantinople In this case the story did not quite follow the script as she married his accomplice in the rescue Samuels is best known for his later career as captain of the packet ship *Dreadnought* a ship built especially for him and under his direction Known as *The Wild Boat of the Atlantic* in the 1850s this ship was reckoned the fastest vessel on the New York-Liverpool service and regularly beat even the steamers on this route This success was largely down to Samuels hard driving style as master and much of the latter part of the book is taken up with the resulting crew troubles culminating in a full blown mutiny that he put down with characteristic forcefulness **Charles Dickens and the Properties of Fiction**

Ushashi Dasgupta, 2020-05-20 When Dickens was nineteen years old he wrote a poem for Maria Beadnell the young woman he wished to marry The poem imagined Maria as a welcoming landlady offering lodgings to let Almost forty years later Dickens died leaving his final novel unfinished in its last scene another landlady sets breakfast down for her enigmatic lodger These kinds of characters are everywhere in Dickens's writing *Charles Dickens and the Properties of Fiction: The Lodger World* explores the significance of tenancy in his fiction In nineteenth century Britain the vast majority of people rented rather than owned their homes Instead of keeping to themselves they shared space renting lodging taking lodgers in or simply living side by side in a crowded modern city Charles Dickens explored both the chaos and the unexpected harmony to be found in rented spaces the loneliness and sociability the interactions between cohabitants the complex gender dynamics at play and the relationship between space and money *Charles Dickens and the Properties of Fiction* demonstrates that a cosy secluded home life was beyond the reach of most Victorian Londoners and considers Dickens's nuanced conception of domesticity Tenancy maintained an enduring hold upon his imagination giving him new stories to tell and offering him a set of models to think about authorship He celebrated the fact that unassuming houses brim with narrative potential comedies romances and detective plots take place behind their doors *Charles Dickens and the Properties of Fiction: The Lodger World* wedges these doors open Horrorstory Karl Edward Wagner, 1991 *Franchise Opportunities Handbook*, 1994 This is a directory of companies that grant franchises with detailed information for each listed franchise **Haunted Isles: Ghostly**

Tours of the UK & Ireland Steven Buchanan, 2025-09-10 Haunted Isles Ghostly Tours of the UK Ireland From fog soaked moors to candlelit pubs the British Isles hold centuries of ghost stories woven into their castles battlefields and ancient streets Haunted Isles Ghostly Tours of the UK Ireland is the ultimate guide for travelers who want to blend history with the supernatural and experience haunted destinations first hand This immersive travel companion takes you through England Scotland Wales and Ireland with practical itineraries and eerie tales that bring each location to life Whether you re wandering York s Shambles by lantern light climbing the battlements of a haunted Highland castle or raising a glass in an Irish pub where spirits never left this book combines local folklore historical insight and real travel logistics to help you plan an unforgettable journey Inside you ll discover Haunted destination guides castles inns cathedrals crypts cemeteries pubs and coastal landmarks with directions booking details and seasonal advice Regional itineraries ready made 3 5 7 and 10 day loops through haunted cities and countryside routes Practical travel tips lodging recommendations public transport hacks driving advice for rural ruins and safety notes for night tours First hand visitor insight etiquette for graveyards pubs and sacred sites plus what to pack for late night vigils and misty morning walks Cultural notes festivals folklore and traditions that shape ghost stories across the Isles Perfect for paranormal enthusiasts history lovers and adventurous travelers this guidebook balances chilling storytelling with the details you need to explore responsibly Whether you re planning a full haunted holiday or adding a ghostly evening walk to your UK or Ireland trip Haunted Isles makes it easy to experience the supernatural side of travel
