Haunting Of Labelle Back To Hell:

Haunting of Labelle J. Thayer McKinney, 2014-12-14 As she sat sipping her tea the laughter grew louder and she saw the shadows fly though the wall They swirled around the room slowly at first and then faster and faster as they turned darker and darker The laughter was soon almost unbearably loud and JoAnne dropped her glass of tea and put her hands to her ears to try to stop the noise To her surprise she was unable to get up from the chair Frantically she looked around the room but all she could see were the shadows swirling Soon the shadows stopped swirling and seemed to be standing beside her canvas She couldn't make out features just dark images She looked at her canvas and where her painting should have been were three grotesque faces that seemed to be in agony One appeared to have no hair and the other two seemed to have long dark hair and beards One of the faces with a beard had a triangle shaped scar on its cheek Soon the look of agony on the faces was replaced by evil grins and the eyes seemed to penetrate into JoAnne's brain She closed her eyes tightly to blot out the horrifying images but she kept seeing them in her mind Where did they come from and what did they want JoAnne felt sure they wanted her life

Haunted Randy Wayne White, 2014-08-19 Hannah Smith returns in the stunning new adventure in the New York Times bestselling series from the author of the Doc Ford novels The house is historic some say haunted It is also slated to be razed and replaced by condos unless Hannah Smith can do something about it She's been hired by a wealthy Palm Beach widow to prove that the house's seller didn't disclose everything he knew about the place when he unloaded it including its role in a bloody Civil War skirmish in which two of Hannah's own distant relations had had a part and the suicides or were they murders of two previous owners Hannah sees it as a win-win opportunity She can stop the condo project while tracking her family history She doesn't believe in ghosts anyway But some things are more dangerous than ghosts Among them as she will learn perhaps fatally is human obsession *Haunting of Labelle* J.
