Having Coffee With Jesus:

Having Coffee with Jesus Patty LeMoine, 2014-10-31 Here is a devotional with a twist a twist of life application a dash of humor and a tablespoon of tears coupled with a large dose of Jesus What began as a traditional devotional eventually grew to include personal true stories that pertain to biblical lessons These writings are intertwined throughout the book giving a clear picture of one woman s walk with the Lord Our lives consist of difficulties disappointments failures joys and surprises but with Jesus they are given an eternal perspective This powerful testimony describes the deep sorrows that life brings It also portrays the joys and sense of humor that live within the author Walking through the memories letting the gambit of emotions tumble out to be seen by all is the key to Having Coffee With Jesus One minute you ll be crying the next will bring laughter as you share in the life stories of a woman changed forever by her Savior The author s hope is that you will be able to relate her stories to your own possibly allowing you to laugh at yourself to forgive the unforgiveable love the unlovable and let the Lord bring you to that place of healing in your own life

Having Coffee with Jesus Billie Jean Kutzer, 2017-04-30 In my journey through life I have studied basic questions about God Along the way numerous people have asked me Is God real How do I know the real God from false gods Why did Jesus have to die to save us Many times our modern world has over complicated things It is often easy to give up when trying to sort through all the confusion God is not a complex God He made things simple It is easy Just ask One day I sat down and questioned If I knew nothing of God what kind of questions would I want the answers to After making a list I began to study and research each one This book will take you on an adventure through God s Word my personal experiences and studies as I found the answers God has many ways of speaking to us The Bible has all the information and is the number one source God can use people He can work through people in a church a stranger on the street or a close friend He has ways to reply to our questions including books and videos to name a few As you will find in this book He even used a donkey

Coffee Time with Jesus Ruth Lawrence Ba, Linda S. McAndrews Msw, 2016-07-06 It is a privilege to open the Bible at any time and receive encouragement pleasure and instruction Two years ago I sat down in a comfortable chair with my coffee cup and my Bible This had become my special time of fellowship and prayer and it felt like having coffee with Jesus After a time of study and prayer I was quietly meditating on God s Word when His voice spoke to my spirit The message was simple Why are you not sharing this with others Up to that time FaceBook was just a way to stay in

touch with friends and family Now it is an outlet for ministering to others The next day I began a daily devotional called Coffee Time with Jesus The subject matter began to develop in the direction of the importance of learning to understand and discipline our emotions After discussing this with my daughter who is a Clinical Social Worker and was a Christian Psychotherapist she informed me that God had also given her revelations in dreams specifically in the area of dealing with human emotions He had revealed to her the effects of negative emotions on the human body when they are not appropriately processed Linda has joined me in writing this book We feel that the book is divinely inspired by the Lord to help honest seekers find and develop a relationship with Him Our desire is to help others to find God and to grow in their spiritual walk Understanding our emotions gives us insight into how we can discipline ourselves to be in compliance with God's word Untamed emotions can be identified and regulated as we begin to demonstrate more of the fruit of the Holy Spirit spoken of in First Corinthians Chapter 13 the Love Chapter

Twice as Much Tomorrow Patricia L. Schultz, 2021-03-31 Twice As Much Tomorrow is about the journey of a young lady who fell in love with God when she first met Him personally in 1974 She was bold enough to tell Him she wanted everything He had that she could possibly have and she didn't care what the cost was personally to herself He took her up on her offer and the next thing she knew her life was in a downward spin that was more like a roller coaster There were funny times heartbreaking times and times she felt so close to God she could cuddle up and go to sleep in the shelter of His arms Once Jesus actually took her for a walk with Him hand in hand in the Spirit with tears rolling down her face the entire time She always told Him that was her biggest desire and that she wanted them to just walk hand in hand and talk like

He and the apostles did when He was here with them But she couldn't talk for crying To have that kind of relationship with God is worth any price Take a walk with Patricia and find out what it's been like She was given a direct promise from God confirmed by three ladies one of whom didn't even know the other two and a visiting Evangelist who she thought she was well hidden from because she knew exactly what he was going to do But he needed to give her a Word of Knowledge from the Lord and would not be deterred She then spent 40 years in the wilderness before she came to her Promised Land There were times she didn't think she would make it mentally but she always knew she would make it spiritually Sometimes she felt like she was barely hanging on to Him by just a thread from His robe and times He picked her up and carried her for days weeks months at a time Then one night she woke up to the knowledge that He was right there in the corner by the head of her bed Everything will be okay Patricia It is time I'm also going to bless you financially You see The Promise was never about material things it was never about finances It was always so much more When God says He will never leave you He means it You can always count on Him ALWAYS The one thing she's learned above all else is that nobody can ever love you like God loves you They don't have the capability God created love and God is love You see The Promise was never about material things it was never finances It was always so much more *We Are Lifebeaters* Prophet Allyson Michael

D'Espyne, 2019-07-24 In 1998 God the Father God the Son and God the Holy Spirit called Allyson Michael D'Espyne to preach the Word In obedience he humbly accepted this calling While walking with the good Lord on this epic journey Allyson was surprised to find everything taken from him including his Cadillac and his fancy clothes God placed on him a spirit of torment and Allyson felt as one wandering in the wilderness This yoke of an ordeal stayed with Allyson for eleven years Through that time Jesus guided him across America showing him all the things that mattered most to His Holy Father One day in the spring of 2010 Jesus removed the spirit of torment and gave Allyson peace Since then Allyson's life has changed from one of wandering to one of vivid clear purpose in bringing the world to full knowledge of the Lord Throughout all his years of trials and tribulations Jesus renewed Allyson's strength and allowed him to bear witness to the pitfalls of humanity Today he answers questions from people of all walks of life through the words of the risen Savior *The Second Revelation of Christ*

Meeting Jesus Together Susan B. Williams,Peter R. Holmes,2010 Why do we feel so alone and lost More and more people are feeling isolated missed and unknown and yet the church seems to be one of the main culprits in creating this ethos We need to be about creating healthy honest and authentic communities that are safe places for people to know and be known In Meeting Christ Together Peter Holmes and Susan Williams explain exactly what that looks like and how we can create salugenic or healthy relationships within the context of authentic community They explain how a salugenic community is the network built by a group of people who are consistently experiencing life together and it is a community that is committed to encouraging ongoing transformational change Salugenic community is built on three assumptions If Christ is present in our relationships with each other that should make a radical difference Such relationships provoke transformative change And when these relationships are achieved everyone notices the difference Young Adults Ivan King,young adults,2017-01-01 Hear What the Critics are Saying Very inspirational and powerful everyone should read this book Breakfast With Jesus is by far one of the best Christian books to have come out in the last decade Mary Jones Valley Daily News I give this book Five Stars All The Way This book makes my list as one of the top reads in the Christian genre Anyone of Faith will enjoy this book very much Theresa Davis Alliance Media Group Breakfast With Jesus was a very powerful and thought provoking book Every generation young and old should have to read this book Ten Thumbs Up Dave Baker Book Bloggers of America This was an excellent book it was short I ended up reading it in less than two hours however it has a very strong and positive message A Must Read Lisa Cooper Literary Times Inc This was a very powerful book It had a very solid message about love and forgiveness Highly Recommend Emma Righter Writers United Group Amazing book I fell to my knees at the end and cried This book reminded me why I became a born again Christian Its messages are not only powerful but also true Carl Mosner Readers Cove Unlimited A friend from work recommended this book to me and although I am not a
