Laws and Practices 37 pages National Practice Tests 500 questions Hawaii Practice Tests 110 questions Hawaii Sample Exam 110 questions We know the real estate licensing exam can be tough and very nerve wracking to prepare for That's why we created Hawaii Real Estate License Exam Prep HI RELEP the way we did Since we have been managing real estate schools and developing curriculum for forty years we know how all this works or fails to work HI RELEP is comprehensive in that it contains both key content review and testing practice And the text review is Hawaii specific not just simplistic national content but terse relevant and accurate Hawaii laws and regulations presented as a well organized set of state key point reviews ideal for pre test memorization But let's not dismiss the importance of the national content either HI RELEP's national key point reviews are a succinct compression of tested national principles and practices that comprise the national portion of state license exams from coast to coast Our content is drawn from our own national textbook Principles of Real Estate Practice one of the most widely used principles textbooks in the country Finally our national content as well as our question selection is further tailored to the state testing outline promulgated by PSI for Hawaii Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state s testing service and your Hawaii license exam A word about the test guestions HI RELEP's testing practice section consists of ten national practice tests twelve state practice tests and one state exam sample test. The practice tests are roughly 50 questions in length and the sample test is 110 questions The test questions are designed to cover the content covered by the law reviews which reinforces your learning of the total body of information tested by your state exam The questions are direct to the point and designed to test your understanding When you have completed a given test you can check your answers against the answer key in the appendix You may also note that each question s answer is accompanied by a brief explanation or rationale to further reinforce your understanding In the end as you know it s all up to you Unlike other publications we are not going to tell you that using this book will guarantee that you pass your state exam It still takes hard work and study to pass But we have done our best here to get you ready Following that the most we can do is wish you the best of success in taking and passing your Hawaii real estate exam So good luck 2019 Hawaii PSI Real Estate Exam Prep Questions and Answers Fun Science Group, Real Estate Exam Professionals Ltd, 2019-08-13 Pass the 2019 Hawaii PSI Real Estate Salesperson Exam effortlessly on your 1st try In this simple course which includes both the Hawaii state and PSI question and answer exam prep study guide not only will you learn to pass the state licensing exam you will also learn How to study for the HI exam quickly and effectively Secrets to Passing the Real Estate Exam even if you do not know the answer to a question How to tackle hard real estate MATH questions with ease and eliminate your fears Tips and Tricks from Real Estate Professionals professional exam writers and test proctors It will also answer questions like Do I need other course materials from companies like Allied Real Estate School How about Anthony Real Estate School or Kaplan Real Estate School Are they even good schools to attend What kinds of questions are on the Hawaii Real Estate License Exam Should I use the HI Real Estate License Exams for Dummies Book
