#### PAVEMENT MARKINGS

Most easile tune perinament relatings to show the perinament frame brind, travel tarted of coad eages. The majorings that phow the contex of the roled are sold or trades lines. These pervenient markings also indicate describe their mark the context of the first objects the context of the co

As a general rule, broken traffic lines can be crossed and solid lines cannot, escept when making a turn. Some examples of different pavement markings and their meanings follow:

A single, broken periors containing shows the carried of a feet-way, two-time road. Passing is permitted on either side, if safe conditions court when passing, you must use the land belonging its encouring traffic.

A double, solid yellow contentine shows the pomer of a twovey road. Even if it is not marked with a NO PASSING slips, passing by traffic traveling in attended deaction is not allowed on roads marked in this manner.

The combination of a solid yellow and a broken yellow certanine also allows the combin of a facultary readway. You may pass if the broken line is an year side of the sould and safe conditions exist, but you may not pass when a solid yellow line is an your elde of the read.

Marking patherns like these may be found on many three-tane or five-tane highways. The outside, solid policy centerine means you cannot use the senter lane for passing. The inside, broken policy and solid yellow conditions show vigitors three-tops without a street action may can the center late only to resolve left turns. Before to Chapter 5 for more information about using center turn lanes safely.

MAJO love highways without medions pointer district; are often marked as shown. Discisor which lines show which larves our life view by vehicles his visit fine same, way. You may cross the protest with lines to pass, (be sue the passing take to clear) but you may not cross the double policie contributes to pass. Third in hereing withe appearant describes in the larve to pass. Traffic is hereing in the appearant describes in the larve to the left of the policie contestine.

This pullbars is used on resid brished discount regimence with readings (conter throbers). The light adge of the road is resolved with a polid white line. The left odge of each side is marked by a bond gettine line. The modific carries has side and marked by a bond gettine line, which make the discount of

Presented markings also include woods painted on the parament and amove that supplement messages posted on regulatory and marking algorithm. Examples include the words STOP AHEAD before an interespond with a STOP sign. WIELD or white triangles painted across the larm to indicate you must yield to approaching traffic, SCHOOL before a school power. All the larm is retiroed proving, SHSE LARE for a larm reserved for bopolists. ONLY with a left or significant to indicate the larm is retermed for bopolists. All the larm is retermed for both and large white arrows to indicate the direction of relief or direction and highests off-ramps.
