Hip Hop Will Save The World:

Black Acting Methods Sharrell Luckett, Tia M. Shaffer, 2016-10-04 *Black Acting Methods* seeks to offer alternatives to the Euro American performance styles that many actors find themselves working with. A wealth of contributions from directors, scholars, and actor trainers address Afrocentric processes and aesthetics, and interviews with key figures in Black American theatre illuminate their methods. This ground-breaking collection is an essential resource for teachers, students, actors, and directors seeking to reclaim, reaffirm, or even redefine the role and contributions of Black culture in theatre arts. Chapter 7 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non-Commercial No Derivatives CC BY-NC-ND 4.0 license. *The Disturbing Profane* Joseph R.

Winters, 2025-07-04 Joseph R. Winters explores how hip hop troubles notions of the sacred and the profane, arguing that it opens up its audience to a volatile notion of the sacred and the unruly qualities of Blackness. *SPIN*, 1993-12 From the concert stage to the dressing room, from the recording studio to the digital realm, *SPIN* surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of *SPIN* pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, *SPIN* is your monthly VIP pass to all that rocks.

Great Tide Rising Kathleen Dean Moore, 2016-02-01 Even as seas rise against the shores, another great tide is beginning to rise: a tide of outrage against the pillage of the planet, a tide of commitment to justice and human rights, a swelling affirmation of moral responsibility to the future and to Earth's fullness of life. Philosopher and nature essayist Kathleen Dean Moore takes on the essential questions: Why is it wrong to wreck the world? What is our obligation to the future? What is the transformative power of moral resolve? How can clear thinking stand against the lies and illogic that batter the chances for positive change? What are useful answers to the recurring questions of a storm-threatened time? What can anyone do? Is there any hope? And always this: What stories and ideas will lift people who deeply care, inspiring them to move forward with clarity and moral courage. Images and Idols Thomas J. Terry, J. Ryan Lister, 2018-10-02 Christians ought to be leading the way in creativity, but we rarely do. God is the Creator of all things, and He created us in His image. Creativity is woven into the very fabric of our humanity. Therefore, Christians should value and champion creativity as a vital part of our image-bearing role. Instead, Christians often don't know what to do with creatives, and creatives don't know what to do with Christianity. On one side, you have Christians who neglect or discount art, imagination, and beauty altogether. On the other, you have artists who make idols out of each of these good things. Ryan Lister, a theology professor, and Thomas Terry, a spoken word artist and founder of Humble Beast, team up to help restore the connection between creativity and theology. *Images Idols* is a theological and artistic exploration of creativity in the Christian life. It will help creatives build a strong theological foundation for their art while challenging the church to embrace a theology of beauty and creativity. *Jesus the Christ, Greatest*

Reflections on Art and Culture Claudia Moscovici, 2025-03-18 *Reflections on Art and Culture* From Diderot's Salons to Panodyyssey and Art Explora offers a series of art reviews of some of the most exciting and artistically diverse trends in contemporary painting, sculpture and photography presented in light of art history, aesthetics and intellectual history. It also introduces two of the most promising cultural ventures that build upon the Enlightenment tradition of the salons: Panodyyssey founded by French entrepreneur and music executive Alexandre Leforestier and Art Explora founded by two of the leaders of Paris's top museums, Frédéric Jousset and Bruno Julliard. In emphasizing a wide range of styles of art, this book also covers a critical blind spot by including contemporary artists influenced by Realism and Romanticism who are extremely popular with galleries, buyers and the general public but tend not to get the attention they deserve from art critics and museums of contemporary art. At the same time, in the spirit of promoting artistic pluralism, *Reflections on Art and Culture* also presents much-discussed trends such as Damien Hirst's neoconceptual art as well as some of the most popular artistic photographers in the world who successfully straddle the domains of marketing and art.
