featured in the exhibition Reuse Renew Recycle Recent Architecture from China at New York's MoMA Dong's work was singled out for the Alila Yangshio Hotel A readaptation of an old industrial site and former sugar factory near the Chinese city of Guilin known for its dramatic landscape of precipitous limestone karst hills the hotel embraces the extraordinary site with pools that reflect the stunning surrounds while also offering great comfort and ease to guests The book presents the firm's most breathtaking work from its celebrated Seashore Chapel which suggests a marriage of the cerebral power of Le Corbusier and the refined magic of Tadao Ando while making a serene and unique statement of its own to the magical Captain's House a renovation of a modernist dwelling set atop a cliff overlooking a fishing village and the sea This elegantly illustrated and beautifully designed book is the first in English to comprehensively document this exceptionally high quality quietly rich and greatly rewarding architecture

Singular Images M. Darsie Alexander, 2005 The Modern Day Matchmaker presents a refreshingly optimistic and plainspoken dating guide to finding romance both on and off line. Finding and keeping a mate has never been harder. New rules are needed to navigate the complicated and changing modern love landscape. If someone wants to find the one, what are the guidelines he or she needs to know now that online dating and Google searching a prospective love interest are the norm? Happily married for ten years, Paul Carrick Brunson is a husband, a father and a rising star in the matchmaking world. In *It's Complicated But It Doesn't Have to Be*, Brunson tackles relevant questions such as: Is marriage right for my personality type? Do the rules of chivalry still apply? How can I date more than one person without hurt feelings? What is the best mode of communication: text messages, phone, e-mail, etc. for asking someone out? With an appealing mix of humor, candor and real world examples, *It's Complicated But It Doesn't Have to Be* is a breath of fresh air in the dating guide category, offering a message of eternal optimism from a man who believes in true love and practices what he preaches. **Liquid Sea** Rachel Kent, 2003
