*When the Stars Aligned* Kiden Logo-Jones, 2024-06-21 On a fate laced evening at 7 30 pm the three cornerstone figures in Malita's life found her crossing their minds yet none were present to shield her from Bruce's malevolent grasp Amidst grappling with the void left by her father's absence Malita's world plunges into a deeper abyss when a supposed guardian from her family cruelly betrays her trust This grave violation leaves her wrestling with shame betrayal and a tenuous relationship with her mother all while battling against the engulfing tides of self pity But Malita with a spirit unyielding musters the bravery to face the harsh truth of her fractured family and rejects the dark labels it threatens to affix on her Embarking on a piecemeal journey she strives to restore the shards of her destiny In her quest for healing the realms of forgiveness and purpose unfold before her offering a glimpse of hope amidst despair Malita chooses not merely to exist in the shadows of her past but to seize the full essence of life's offerings demonstrating a resilient pursuit of healing and reclaiming her rightful place in the world When the Stars Aligned isn't just a narrative of survival but a profound testament to the indomitable spirit of recovery and self redemption

this enthralling Victorian historical romance from the author of *The Runaway Duchess* Nina Finch isn't suited for a life of crime. Raised by her art forger brother, she can paint like Botticelli. But she'd so much rather be baking gooseberry tarts. She finally has the money she needs to open her own bakery. Unfortunately, her brother's carelessness lands her and their forgeries directly under the nose of London's most discerning art critic, Alan De Ath. De Ath knows the paintings are fake. He doesn't know that Nina had a hand in their creation. In fact, he offers her a job in his household. Accepting it is the most dangerous thing she has ever done. Alan takes pride in seeing things other people miss. He plans to catch the forger and cement his reputation. There's only one problem: the closer he gets to the beguiling woman he hired, the less he trusts his perspective. Nina isn't what she seems. But despite their false start, she just might hold the real key to his heart. As Nina and Alan's attraction grows, divided loyalties threaten to pull them apart and shatter their worlds. They'll lose everything or discover how powerful true love can be.

**The Choice** Lorhainne Eckhart, 2012-02-06

What would you do for someone you loved? The Choice will leave you questioning your own morals and motivations and leave you asking others what they would do in that same situation. This is a genre-bending novel that will surprise you.

Amazon Reviewer JRA: From the Pacific Northwest to New Orleans, with its rich Cajun heritage, dialect, food, and voodoo comes this spellbinder from Ms. Eckhart.

Reviewer Elysabeth: This book has everything I love: Romance, suspense, action, and spiritual life struggles. Loved it! Kept me on my toes. The author creates characters that the readers either love or hate or a little of both.

Reviewer Tina Marie: Warning! This series is not for those looking for a light, easy read. It is filled with rough language, sexual tension, and steamy hot romantic suspense.

One Woman: Marcie is crazy in love with Dan, who has been using her and promising his love in return. And she'll do anything for him, which is fast becoming a one-way ticket to trouble. But in a freak accident, she loses her memory, landing in the path of sexy DEA Agent Sam Carre.

Two Men: For DEA Agent Sam Carre, when this attractive stranger lands in his path, he just can't resist helping her, even though he's haunted by a past that gives him no peace. But as the sparks fly, so do questions of what she's really involved in. And a choice that could kill her. This complex case pushes them both to explain the unexplainable, bringing them face-to-face with generations-old evil and a haunting question: Sam's forced to make a choice: walk away from the attraction connecting them or risk losing everything.
