The driving force that compelled me to write this book I would say is my love for my late grandmother Kezbah Yazzie I had promised her that I would keep her story alive and since I could not memorize thirteen chapters by rote like she did the only other way to preserve it was to write it into a book Writing this book has positively broadened my mind It took effort and determination I learned that how smart you are is not a factor for self esteem I encourage anyone who has a dream to pursue it Use the negative experiences in your life to help others It will definitely charge up a positive life for you
