Post-Colonial Nations in Historical and Cultural Context Dmitri M. Bondarenko, 2023-05-30 Using historical and anthropological analysis in Post Colonial Nations in Historical and Cultural Context Dmitri M Bondarenko examines nation building in Tanzania Uganda and Zambia He examines the nation and state as concepts and how these are changing globally particularly in regard to the idea that the fundamental characteristic of a nation is a culturally homogeneous community This feature became a cornerstone of the concept of the nation at its formation in the West by the end of the eighteenth century but post colonial migration flows from the Global South to the Global North are increasing multi culturalism in the North In contrast liberated states of Asia and Africa have been multi cultural from earlier on as they inherited the colonial borders in which typically many peoples were united Throughout the book Bondarenko argues that this history of multi culturalism is an advantage to development in the Global South and that it is necessary to depart from the classical Western concept of the nation to simultaneously support citizen unity while preserving cultural diversity

History of Humanity: The nineteenth century Sigfried J. de Laet, Ahmad Hasan Dani, José Luis Lorenzo, R. B. Nunn, 2005

Distance Education Paul Birevu Muyinda, 2012-09-19 Education has become the number one demanded commodity for

social and economic transformation for both developing and developed economies Thus the number of persons going and returning to school has become too big to be handled by existing brick and mortar learning institutions Besides the majority of lifelong learners do not have the time to become full time students Distance education is becoming the solution to the aforementioned challenges It has been defined as the mode of study where the learner is separated in time and space from the institution and tutors providing the tuition

History of Humanity: From the sixteenth to the eighteenth century Sigfried J. de Laet,Ahmad Hasan Dani,José Luis Lorenzo,R. B. Nunoo,1994 Global Perspectives on Inclusive Teacher Education Rice, Bethany M.,2019-03-01 Inclusive teacher preparation varies greatly in format and practice yet programs grapple with the same underlying challenges which practices work and where do they work As children with disabilities are increasingly being included in schools it is essential that guidance is put into place on how best to adapt inclusive practices into the classroom and create new practices based on the cultural context Global Perspectives on Inclusive Teacher Education summarizes existing research on inclusive practices globally while presenting emerging research and opportunities for cementing change in inclusive teacher education locally including examples of how inclusive practices are integrated in and adapted to diverse cultural contexts Covering topics that include critical pedagogy religious schooling and teacher education this publication is designed for curriculum developers instructional designers administrators higher education faculty educators policymakers and students

The Palgrave Handbook of Urban Development Planning in Africa Meleckidzedeck Khayesi,Francis Nyongesa Wegulo,2022-11-25 Where can one get a synthesis of research findings on urban development planning in Africa This book addresses this gap in knowledge by distilling existing research to provide insights into theories research designs empirical findings and approaches on urban development planning in Africa Starting with the overall planning culture and strategies the book chapters move on to specific themes such as governance population poverty water recreation transport agriculture air quality and rural urban linkages This book reduces the prevailing risk of unnecessary duplication of research and the inadequate attention that is being given to extending research in new areas This situation has partly been due to existing research remaining scattered in different organizations and publications and has not been subjected to critical synthesis to unearth any new developments that it contains The book makes available research findings to be utilized in current and future urban development planning in Africa
