And is there such a thing as lasting happiness anyway Western society places great emphasis on the pursuit of health wealth and pleasure with a general expectation that having these in abundance will lead directly to The Good Life But anxiety depression and loneliness are rife in our communities and it is common for people to struggle with relationships and to feel they have a low sense of meaning and lasting fulfilment Is there a better way for us to try to live Andrew Parnham believes that there is but such a way may take us in unexpected directions In *Lasting Happiness* he invites us to explore this path in his company looking beyond our immediate perceptions to consider our universal longings the extraordinary way in which our brains engage with the world and ourselves how healthy relationships develop and can be restored and how meaning and fulfilment may actually be attained *The Long Road of War* James W. Johnston,2000-02-01 James W Johnston was a self confessed small town youth who like so many others patriotically stopped what he was doing and enlisted shortly after Pearl Harbor Johnston chose the Marines a decision that sent him to years of bloody combat through the Pacific as Allied troops fought their way toward the Japanese home islands Many did not come back of those who did very few have told us what it was like Johnston tells us directly and honestly taking us with his First Marine Division through New Guinea New Britain Peleliu and Okinawa **Silver Bells Collection** Heather B. Roseman,2017-09-15 In the passage to modernity we in the West have lost the ability to see things whole We've closed our minds to all things transcendent and default to unbelief and can't make sense of the persistent echoes of the voice of God that reverberate in our souls In *Rediscovering God's Grand Story* James Roseman picks up the strands of science philosophy history the arts and theology and reweaves the tapestry to see a coherent story that makes the best sense of the world and provides real meaning and significance to our lives *God's Grand Myth* We see that the signals of transcendence that confound our culture of doubt are a universal language and vocabulary of the heart echoing the voice of God and in the very Judeo Christian story we so readily jettison is found the Author enabling us to see the world whole again This essay tells why the story and promise of Christianity is so hard to hear today but won't go away Could it be that as T S Eliot wrote in the mid twentieth century at the end of all our exploring will be to arrive where we started and know the place for the first time *Love's Long Journey (Love Comes Softly Book #3)* Janette Oke,2003-11-01 Will her faith and strength withstand the bewildering surprise After all the planning and dreaming Missie and Willie LaHaye were actually on the trail west in a covered wagon Leaving behind the prairie home of Clark and Marty Davis Missie finds herself caught between the elation of the new adventure and wondering if she'll ever see her family again But the hardships of the trail the rain the mud the impassable rivers and even death soon force Missie and Willie to become rugged pioneers Missie must learn how to live her faith as she faces homesickness boredom and deprivation And then when they finally arrive at their new home she is pushed to the limits of her endurance Long, Tall Cowboy Christmas Carolyn Brown,2017-09-26 This goes down like a cup of hot cocoa warm and sweet
