Kris Vallotton     **The Kingdom Discovered - Book 1 (The Revealed Kingdom 3-Book Series)** Mark Loretz,2023-12-15  
 Dr Mark Loretz has been a close friend and ministry colleague for over twenty years I consider him to be a truly gifted and anointed Kingdom teacher and prophetic voice of our time He has a passion for extending God's Kingdom in every sphere of society and helping people and organisations to achieve their full potential in Christ He is truly a man of God who is wholeheartedly committed to love and obey God and to fulfil all that God has called him for In this great new book he brilliantly and practically reveals and unlocks so many precious gems of revelation regarding the Kingdom of God that I can highly recommend it to every believer in the body of Christ     *The Kingdom Establishers - Book 3 (The Revealed Kingdom 3-Book Series)* Mark Loretz,2024-01-07 I am excited about this beautifully written Kingdom guidebook as it gives us various keys and strategies to live a Kingdom life It also challenges us to become Kingdom establishers and to build the Kingdom of Jesus where we live and work I enjoyed the parts referring to Kingdom mindsets and attitudes that teach the believer a different worldview to attract a life of miracles as well as being instrumental in letting His Kingdom come on earth as in Heaven What Dr Mark Loretz describes is how to practically align ourselves with the Kingdom of God to live the life of overflow as Jesus intended     **Transforming Presence** Daniel Henderson,2018-06-05 Does God sometimes feel far off Do you have a hard time motivating yourself to get into the Word Are you trying to conquer old sins but feeling defeated If so you're not alone But the secret to spiritual thriving isn't about trying harder You need supernatural help That's why God sent a Helper The church faces problems today because it misunderstands the Holy Spirit We think of Him as a force rather than a person And we look for a manifestation of the Holy Spirit in an Old Testament way instead of the New Testament way God designed for us Through over twenty years of studying church renewal Daniel Henderson has discovered 10 practices that lead to individuals and entire churches having a right relationship with the Holy Spirit and experiencing the kind of inside out renewal that can only come from God Stop relying on your natural effort that can only lead to natural results seek supernatural change Find out how the Holy Spirit can transform you and your church today     **The Powerful Kingdom - Book 2 (The Revealed Kingdom 3-Book Series)** Mark Loretz,2024-01-06 I have found sowing seed thinking it was good ground and hoping for a return is not what the Kingdom is but pressing in waiting listening and growing in my relationship with the Holy Spirit and being obedient to His prompting has revealed the reality of The Kingdom which is within me Within these pages Mark has managed to coerce the reader to delve deeper into their relationship with the Father to find the lustrous pearl and compel you the purchaser to sell everything to possess it The writings expose the gap between the child like faith illustration Jesus used of the Kingdom of heaven belonging to children to the reality in adulthood of what it entails and the availability as Jesus taught in His Prayer The challenge has been to understand again that it is in seeking first His Kingdom and His Righteousness which reveals the ultimate Pearl of Great Worth Jesus Christ and His Kingdom

**One Thing** Seung-woo Byun,2020-10-05 We were told if we pray we can be transformed If we seek God's face we can be transformed If we reside in the Lord's glory we can be transformed We believed those words and we desired God sought after Him and pursued Him but why hasn't it worked The Bible clearly says we all beholding the glory of the Lord are being transformed into the same image from one degree of glory to another but why haven't we seen this effect Why is it that we can only suppress the lust of the flesh the lust of the eyes the boastful pride of life but ultimately are not able to overcome them Whatever must we do to become overcomers Is there even a way If so then how I have heard many sincere believers fall into despair moaning prayer does not work or seeking God does not work Then why is it that only some people who have sought God's face and spent time in His presence have been changed but others who likewise took the same actions have not been changed And what kind of response do we give to these people I want to share with you the revelation that the Lord gave to me regarding this topic

**Dwelling in the Land** Jeanette Howard,2015-10-15 Some gay Christians have sought healing Others have turned away from a conservative interpretation of the biblical texts Others have remained celibate and invested their lives in Christian service All have found that their sexual orientation has strongly influenced who they perceive themselves to be and how others perceive them Jeanette believes that to identify herself as gay does not do justice to what God has been doing in her life As a Christian you can be identified by the fact that you belong to Christ Allowing God to dismantle your false identity permits you to live out of your authentic self As you grow in Christ you are able to perceive true goodness and health you rid yourself of old habits of thinking you learn to recognise what is holding others back and discover new areas of ministry You do not have to accept the labels that the world and the church attach to you Jeanette's book is in four parts Identity Surrender Abiding and Fruitfulness

*Counterfeit Kingdom* Holly Pivec,R. Douglas Geivett,2022-11-15 Is there a new reformation happening in the church It depends on who you ask The New Apostolic Reformation NAR is a popular and fast growing new movement of Christians who emphasize signs and wonders and teach that God is giving new revelation through new apostles and prophets But is this biblical Christianity In Counterfeit Kingdom apologists and NAR experts Holly Pivec and Douglas Geivett show how the NAR s key tenets distort the gospel twist the Scriptures are influenced by New Age practices and lead faithful Christians to shipwreck their faith They also offer practical suggestions for readers who are already influenced by the NAR curious about it or concerned about loved ones who have been swept up in the movement What used to be on the fringes of the church is now mainstream and many are being influenced by it unaware This book is a wake up call

confronts and confuses readers perhaps more than any other Biblical book Brandon Smith brings clarity by reading Revelation primarily as John's faithful vision of the triune God and in doing so helps us better worship the one who is Father Son and Holy Spirit

**The Cosmic Journey in the Book of Revelation** Joel M. Rothman, 2023-05-18 Joel M Rothman considers the significance of cosmology in biblical and extra biblical texts and the role of the cosmic journey in many apocalyptic narratives He posits that Revelation's narrative likewise takes the hearer on a virtual journey through a cosmic story space of great theological significance While scholarship commonly assumes a three tiered cosmos in Revelation Rothman argues that Revelation's narrative operates in a four tiered cosmos with the hyper heaven sitting above the sky heaven earth and abyssal depths a cosmic story space that is recreated in the imagination of the hearers Beginning with a methodology of visual narrative reading Rothman then discusses the assumptions and existing conceptions regarding heaven and earth He stresses that Revelation does not exhibit tension in its portrayal of heaven between heaven as a site of conflict and heaven as the realm in which God truly reigns but rather shows readers a sky heaven characterised by archetypal conflict between powerful sky beings and a hyper heaven defined by full recognition of the Throne In journeying through the sky structure and God space and by analysing the four cosmic layers in operation the distinct nature of the two sky spaces cosmic change and the ideological import of the cosmic structure Rothman demonstrates that the existence of the hyper heaven in contradistinction with the limited lived cosmos of earth and sky heaven is a present guarantee of the final cosmic transformation that creates a new space for human life exclusive of imperial draconian elements
