

Men Need To Think Their Wife Is Really Hot For Things To Work

If you are a single woman, be sure to go for a man who thinks you are extremely attractive. If he has a “type,” it is best you are that “type.”

A man who is just neutral about your looks and sexual attractiveness but thinks you are a great person may not be as motivated to make you happy later in your marriage, even if his intentions are there.

Every woman deserves to feel adored, and this correlates with how attractive a partner finds you, particularly for women.
