Hot Springs, Past and Present Sally Royce Weir,1906 **Hot Springs, Past and Present** Sally Royce [From Old Catalog] Weir,2022-10-27 **Hot Springs** Steven G. Hanley,Ray Hanley,2006 Hot Springs with its grand hotels and world class bath houses has a rich and fascinating history Known as a premier tourist destination on the edge of the American West Hot Springs boasted both healing waters and a gay social scene that flourished throughout the nation s Victorian age Hot Springs, Past and Present (Classic Reprint) Sally Royce Weir,2018-01-30 Excerpt from Hot Springs Past and Present As may be supposed the Indians were the first to discover their medicinal properties and there is evidence that they were much esteemed and sought by them not only by those who owned them by right of possession but by other tribes as well The Cherokees were masters of the western part Of the state and there is still a large reservation of them about forty miles from the Springs Evidence is not wanting that Indians came here even from the Great Lakes for Lake Superior copper has been found here which it is supposed they brought for buying peace while bathing in the Springs But few traditions of the Indians have been preserved in connection with this place but the following is one which seems to combine the necessary elements of romance and sadness About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Hot Springs of North Carolina** Della Hazel Moore,2002-07 This informal biography of Hot Springs North Carolina is an affectionate recounting of the pilgrimage of a town and its inhabitants a journey involving triumph tragedy and sorrow Though not intended to be a highly researched and documented narrative the chronicle tells of the the people who helped create Hot Springs those who lived in the town during its periods of growth and prosperity as well as decline and depression and current residents who have confidence and hope in its future *Hot Springs, Arkansas* Ray Hanley,Steven G. Hanley,2000 From its rise in the 1800s until well into the twentieth century Hot Springs was a famed resort known worldwide The grand hotels and world class bath houses that sprang up around the government protected springs drew countless visitors ranging from the famous and wealthy to those of humble means all seeking the health and pleasure promised by the Spa City s promoters In the words of a railroad tourist guidebook from about 1910 A stay at Hot Springs be it ever so brief always remains a pleasant memory afterward It was the writer s good fortune to spend a few days at this popular resort not as an invalid I am happy to say but as a tourist and I certainly never bathed in more delightful water than that which flows so abundantly from the hot springs of Arkansas There is buoyancy a magnetism about it that is simply indescribable Such has been the experience of countless visitors over the years Readers
