How to Draw Dragons Step-By-Step Guide Andy Hopper, 2019-10. People who love kids spend a sizeable amount of their adult life obsessing about how their lives would be with kids in it. They wonder how they can be good parents and be their kids' ultimate companion. They actively or passively prepare for this period of their lives and try to figure out ways to connect with their kids. The kids came with a need to express themselves and it turns out that drawing is one of these needs. Herein lies the problem: the parent cannot draw. If this is your story, we understand how hard it is for you to confront that wrong notion that you cannot be there for your kids. You do not have to feel this way because you can always get help. Now that help has come in the form of this drawing book. You do not have to feel like you are not doing enough for your kids in the area of creative expression because now you can always bring out this book and guide them on how to use it to fulfill their drawing needs. The best part of this is that you will be doing it together; you learn as they learn and at the same time you get to connect with them on a deeper level. So yes, you may not have much artistic or drawing skill, but you can help your kids develop theirs and this book and the drawing guides in it will help you get them there. You and your kids are about to have the most amazing creative experience one that you will talk about for years to come.
