

The background of the book cover is a detailed photograph of a forest stream. In the upper half, a small waterfall cascades over rocks into a pool of water. The water is dark and reflects the surrounding trees. In the foreground, the water is rippled with many small, white, circular patterns that look like bubbles or reflections. The banks are covered with fallen logs, some of which are heavily covered in green moss. The trees in the background are tall and thin, with some bare branches and some with green leaves.
