**Proceedings of the International Conference on Entrepreneurship, Leadership and Business Innovation (ICELBI 2022)** Donard Games, Maruf, 2024-01-09 This is an open access book The International Conference on Entrepreneurship Leadership and Business Innovation ICELBI is a pioneer conference on entrepreneurship leadership and innovation in the higher education environment that focuses on the research oriented output from academics and practitioners The conference s theme Fostering university based entrepreneurship in the digital economy era encourages entrepreneurship activists to become a catalyst for creating creative jobs and increasing economic growth especially in the digital era

**Global Business and Management Research : An International Journal Vol. 4, No. 2 , Proceedings of the 1st UPY International Conference on Education and Social Science (UPINCESS 2022)** Ari Kusuma Wardana, 2023-02-10 This is an open access book It has been two years since the COVID 19 pandemic swept across the world This has more or less left a mark of memories and trauma for more or fewer people This pandemic reminds people around the world that there are things that can happen without people knowing it People start to worry and pessimistically see the uncertainty that lies in the future To deal with this a strategy is needed through educational innovation and social science to answer and face the challenges of uncertainty in the future Breakthroughs in education and social science are the most strategic ways to build and enhance human capacity to solve problems environmental and social problems The spirit of innovation rising from an economic downturn the use of technology is obtained through the role of educational institutions

This can be interpreted that innovation in education and social science produces superior humans who have good behavior and wise humans So that in the face of uncertainty in the post pandemic period humans have strategies and become more prepared To find out more about strategies for dealing with and responding to future uncertainties after the pandemic through educational innovations and social science it is necessary to conduct research or studies that discuss these matters and be published widely To support this Universitas PGRI Yogyakarta held an international conference and Call for Papers The 1st UPY International Conference on Education and Social Science UPINCESS Strategies to Deal with Uncertainty through Education and Social Science Innovation on June 15 2022
