The Internet and Politics Sarah Oates, Diana Owen, Rachel K. Gibson, 2006-03-22 This volume explores the nature of the Internet's impact on civil society addressing the following central questions: is the Internet qualitatively different from the more traditional forms of the media? has the Internet demonstrated real potential to improve civil society through a wider provision of information, an enhancement of communication between government and citizen, or via better state transparency? does the Internet pose a threat to the coherence of civil society as people are encouraged to abandon shared media experiences and pursue narrow interests in authoritarian states? does the Internet function as a beacon for free speech or as another tool for propaganda?

Women, Men and News Paula Poindexter, Sharon Meraz, Amy Schmitz Weiss, 2010-12-22 This multi-authored scholarly volume explores the divide between men and women in their consumption of news media looking at how the sexes read and use news historically and currently how they use technology to access their news and how today's news pertains to and is used by women. The volume also addresses diversity issues among women's use of news considering racial, ethnic, international and feminist perspectives. The volume is intended to help readers understand adult news use behavior, a critical and timely issue considering the state of newspapers and television news in today's multi-media news environment.

The Rotarian, 2000-03 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Gandhi to Kurt Vonnegut Jr have written for the magazine.

Converging Media, Diverging Politics Mike Gasher, 2005-01-01 What purpose does the news media serve in contemporary North American society? In this collection of essays, experts from both the United States and Canada investigate this question, exploring the effects of media concentration in democratic systems. Specifically, the scholars collected here consider from a range of vantage points how corporate and technological convergence in the news industry in the United States and Canada impacts journalism's expressed role as a medium of democratic communication. More generally, and by necessity, *Converging Media, Diverging Politics* speaks to larger questions about the role that the production and circulation of news and information does, can, and should serve. The editors have gathered an impressive array of critical essays featuring interesting and well-documented case studies that will prove useful to both students and researchers of communications and media studies.

Sharing News Online Fiona Martin, Tim Dwyer, 2019-07-16 This book explores the political economics and cultural politics of social media news sharing, investigating how it is changing journalism and the news media internationally. News sharing plays important economic and cultural roles in an attention economy, recommending the stories audiences find valuable, making them more visible, and promoting the digital platforms that are reshaping our media ecologies. But is news sharing a force for democracy or a sign of journalism's declining power to set news agendas? In *Sharing News Online*, Tim Dwyer and Fiona Martin analyse the growth of commensary culture and the

business of social news critique the rise of news analytics and dissect virality online They reveal that surprisingly we share political stories more highly than celebrity news and they probe how deeply affect drives our sharing behaviour In mapping the contours of a critical digital media phenomenon this book makes essential reading for scholars journalists and media executives
