ministerial men and young black revolutionaries such as Reverend Martin Luther King Jr Stokely Carmichael and Malcolm X Recent studies have begun to explore female participation in the struggle for racial justice but women continue to be relegated to the margins of civil rights history In *Our Minds on Freedom* Shannon Frystak explores the organizational and leadership roles female civil rights activists in Louisiana played from the 1920s to the 1960s She highlights a diverse group of courageous women who fought alongside their brothers and fathers uncles and cousins to achieve a more racially just Louisiana From the Depression through World War II and the postwar years Frystak shows black women in Louisiana joined and led local unions and civil rights organizations agitating for voting rights and equal treatment in the public arena in employment and in admission to the state s institutions of higher learning At the same time black and white women began to find common ground in organizations such as the YWCA the NAACP and the National Urban League Frystak explores how women of both races worked together to organize the 1953 Baton Rouge bus boycott which served as inspiration for the more famous Montgomery bus boycott two years later to alter the system of unequal education throughout the state and to integrate New Orleans schools after the 1954 Brown decision In the early 1960s a new generation of female activists joined their older counterparts to work with the NAACP the Congress of Racial Equality and a number of local grassroots civil rights organizations Frystak vividly describes the very real dangers they faced canvassing for voter registration in Louisiana s rural areas teaching in Freedom Schools and hosting out of town civil rights workers in their homes As Frystak shows the civil rights movement allowed women to step out of their prescribed roles as wives mothers and daughters and become significant actors indeed leaders in a social change structure largely dominated by men *Our Minds on Freedom* is a welcome addition to the literature of the civil rights movement and will intrigue those interested in African American history women s history Louisiana or the U S South
