Jesus Is The Son Of God:

Jesus the Son of God D. A. Carson, 2012-11-30 Although it is a foundational confession for all Christians much of the theological significance of Jesus's identity as the Son of God is often overlooked or misunderstood Moreover this Christological concept stands at the center of today's Bible translation debates and increased ministry efforts to Muslims New Testament scholar D A Carson thus sheds light on this important issue with his usual exegetical clarity and theological insight first by broadly surveying Jesus's biblical name as the Son of God and then by focusing on two key texts that speak of Christ's sonship The book concludes with the implications of Jesus's divine sonship for how modern Christians think and speak about Christ especially in relation to Bible translation and missionary engagement with Muslims across the globe

Jesus, Son of God, Son of Mary, Immanuel Donald J. Goergen, 2003-09-04 Jesus, Son of God? Edward Schillebeeckx, Johann Baptist Metz, 1982 Jesus of Nazareth W. McCrackin, W. Michael McCrackin, 2006-04 McCrackin reviews the biblical material about Jesus to show how His life and ministry prove Him to be both fully God and fully man It is designed to help believers grow in their appreciation and understanding of the person of Christ and to answer many questions interested nonbelievers may have Biblical Studies The Son of God Charles Lee Irons, Danny Andre Dixon, Dustin R. Smith, 2015-12-04 This is a multi view book in which representatives of differing viewpoints make a positive statement of their case followed by responses from the others and concluding with a rebuttal by the original author The topic at hand in this book is the identity of Jesus also known as Christology What is the meaning of Jesus's identity as the Son of God Charles Lee Irons argues that the title Son of God denotes his ontological deity from a Trinitarian perspective Danny Andre Dixon and Dustin R Smith challenge this view from two different non Trinitarian viewpoints Smith argues that Jesus is the authentically human Son of God the Davidic Messiah who did not possess a literal preexistence prior to his virgin birth Dixon argues that Jesus is God's preexistent Son in the sense that God gave him life or existence at some undefined point prior to creation The authors engage the topic from the perspective that reverences the authority and inspiration of Scripture as the final arbiter of this debate The literature of early Judaism is also engaged in order to try to understand the extent to which the New Testament's Christology may have been influenced by or operated within the context of Jewish conceptions of divine secondary beings as agents of God Jesus Christ the Son of God Bean, 2019-04-14 The summary of this book has to deal with who Jesus really is in all nine chapters of this book we have took the facts from the Bible to declare to each reader of this book who Jesus really is And in many denominations and independent churches around the world many still do not know who Jesus is And yet by the help of the Holy Spirit in these nine chapters each one that you read you will get closer to knowing who Jesus really is according to what the word of God says There are many that have made false doctrines and doctrines of devils out of who they think Jesus is This book goes by the facts according to the word of God and there will be no mistake about who Jesus really is to those who read this book you will find out that many of you have been taught a lie It

will be up to you to ask God in the name of Jesus for the wisdom and knowledge and understanding in the remembrance of his holy words to have the discernment to be able to understand the truth of God's word and not man's. Man would like you to believe a lie. God wants you to believe the truth in who his Son really is. The word of God is very simplistic so this book will be able to better help you understand that God wants you to know the truth about his Son and his Son's name is Jesus. When you get to the last chapter of this book there is a question but whom say ye that Jesus Christ is everyone must work out their own salvation with fear and trembling so you must do the same.

Alexander or Jesus? William Broad, 2015-03-09 To many people the four Gospels are seen as biographies of Jesus of Nazareth who was declared by God to be his Son. To many more these Gospels are works of theology incorporating the myths stories and legends surrounding a then little known young Jew who lived two thousand years ago. This book explores the reasons why such a comparatively obscure person should be called Son of God soon after his death. William Broad sets stories of Jesus against the backdrop of the religions of the time and shows how St Paul in Greece chose the mythical title son of a god for Jesus as being one that would attract the attention of his Gentile hearers and reveal his great significance. However Broad notes that Jesus was not the first historical person to have been called a son of god. Alexander the Great had been so titled 350 years before Alexander or Jesus explores stories of this remarkable king and shows that these tales significantly affected the way the Gospels declared the Divine Sonship of Jesus. It further reveals that Jesus birth and his epiphany are not the unique events that many believe.

Jesus, Son of God Frank Tunstall, 2015-08-25 Christian universalism teaches that ultimately all people will be saved if not in this life then in the world to come. Religious pluralism is best identified by the catchphrase All roads lead to God. These systems of thought are well anchored in contemporary culture and continue to gain adherents. Both reject Jesus Christ as the Son of God. The Apostle John wrote his book two thousand years ago for one purpose that you may believe Jesus is the Christ the Son of God and that by believing you may have life in his name. John 20:31. The pressure of modern thinking mandates that we rediscover Jesus in flesh and blood humanity. Eating sleeping walking laughing living with his disciples growing tired hungry and thirsty with them his dirty hurting feet throbbing like theirs. While tenting with mankind Jesus many astounding miracles also forced people to lift their sights to God and acknowledge his divinity. Three days after his crucifixion Jesus gave the ultimate proof with his bodily resurrection. When Jesus story is told with love and passion John's book leads people to the same conclusion in our generation. Jesus is the Son of God. He is the one and only with no equal and no close rival.

The God of Jesus David A. Kroll, 2012-12-26 Jesus said the Father is the one and only true God John 5 43 44 17 3 Apostle Paul taught the same thing 1 Corinthians 8 4 6 11 3 1 Timothy 2 5 Jesus said the Father is greater than Him and that He receives his life from the Father John 14 28 5 26 Yet Christian theology teaches Jesus is also the one and only true God is equal with the Father and has existed eternally with the Father in an indwelling relationship of Father Son and Spirit The Bible repeatedly speaks of God the Father You will not find the phrase God the Son or God the Spirit in the Scriptures The Bible consistently speaks of the Son of God and Spirit of God but never speaks of the Father of God In The God OF Jesus it will be demonstrated that the reason the Bible never speaks of God the Son God the Spirit or the Father of God is because the Father and only the Father IS God It will be clearly shown who Jesus is and what the Spirit is in relation to who God is

If You Are the Son of God Jacques Ellul, 2014-05-05 This significant book written a few years before his death presents Ellul's fullest understanding of the meaning of Jesus' life One finds all of the major themes of Ellul's writings The first half of this book deals with Jesus' sufferings which are by no means limited to Good Friday Through Jesus' identification with the whole human condition we are offered the possibility of both enduring and overcoming suffering Similarly the temptations are understood beyond the wilderness temptation narrative since Jesus experiences them throughout his ministry Ellul believes temptations are ultimately human avenues for tempting God and so focuses on the discussion power and non power be it on personal or political levels Appropriately Ellul enters into the passion narrative not simply in the context of suffering but in the context of temptation where Jesus could have easily proved his divinity but chose instead to reveal both the character and way of God

The sonship of Christ Ty Gibson, 2021-05-17 Why is Christ called the Son of God Discover an answer so simple you'll wonder why you never saw it before and so beautiful it'll take your breath away What does the Bible mean when it calls Jesus the Son of God Oh no Is this gonna be one those boring hairsplitting theological exercises Actually no In fact if you will take this little journey with me to its end I assure you the rewards will be rich You may even find yourself deeply moved by the beauty of God's character and awestruck by the utter genius of the biblical narrative Even if you find the above question boring at first glance I promise you our time together will not be boring in the least

The Son of God Karl Adam, 1934 The most startling claim ever made by any religious body is the belief of the Catholic Church that Jesus Christ is divine that He was born of a human being and that He became true man with a true human soul and true human body with the two natures divine and human united in one person The implications of such a claim are staggering and upon it is based the whole Christian belief If Christ is not God then Christianity is merely a body of ethical teaching if He is God then Christianity is unquestionably the true religion
