Jesus Return Craft For Kids:

The Church Year at Home Christine E. Curley, 2021-07-28 For parents in today's world it can be hard to find the time and resources to fully equip our children to be spiritually mature adults. So much demands our attention and distracts us from God. Curley offers a resource to help parents structure their days and weeks to glorify God and disciple children. Using the church calendar as a guide, she proposes simple and realistic ways as well as resources for the whole family to engage in the Scriptures and thereby push back on the unrelenting culture of today.

Craft Brewed Jesus Michael Camp, 2016-04-08 What if the modern American church has its Christian history wrong? According to ex-evangelical Michael Camp, most American believers fail Christian History 101. Drawing on his own historical research and missionary experience, he discovers that most popular Christian views of the Bible, church, sin, salvation, judgment, the kingdom of God, the end times, and the afterlife pretty much all religious sacred cows don't align with the beliefs of the original Jesus movement. Some of them not even close. Camp's *Craft Brewed Jesus* paves a fascinating journey of a group of disillusioned evangelicals and Catholics. When they decide to meet regularly over craft beers to study the historic foundations of their faith, their findings both rock their world and resolve ancient mysteries. They examine well-documented narratives of the early Jesus saga, Eastern streams of a lost Christianity, and the roots of our modern religious assumptions, all while striving to steer clear of either a conservative or liberal bias. What they uncover is a vital, refreshing spiritual paradigm no longer at odds with reality. Grab your brew of choice and trace this transformational journey based on a true story that will encourage you in your walk of life and faith.

Every Age, Every Stage Ken Hindman, Landry Holmes, Jana Magruder, 2021-10-12 Today's parents feel ill-equipped to spiritually train and educate their preschoolers, elementary kids, and teenagers. Based on the principle that kids and teens learn and comprehend concepts differently as they grow in maturity, *Every Age, Every Stage* provides an age-suitable discipleship approach, equipping parents to teach their children biblical truths from the ten concept areas of God: Jesus, Holy Spirit, Bible, Salvation, Creation, Church, People, Family, and Community, and World. The wise discipleship plan presented in *Every Age, Every Stage* is known as Levels of Biblical Learning. This framework for babies through teens was developed over a period of several years by thought leaders in preschool, kids, student, and next-gen ministries. Levels of Biblical Learning has been taught at workshops, colleges, and seminaries and incorporated in Bible Study curriculum. The book also will assist ministry leaders and teachers as they prepare a vision for their ministries and teach biblical concepts in the classroom, putting children and teens on the right path to a life of growth in biblical knowledge.

for their father to return to them as the beast who will crush all opposition to his rule But this will not take place until the Rapture of the church takes place first The Bible is also very clear that a government of fallen angels now runs this earth They run all aspects of our matrix reality and remain hidden behind a shadow government There are strong indications in scripture that here is also royalty of non humans called the Reptilians and Nephilim that rule over us They are the ones that have come from hell to transform themselves into rulers of this world The Return of the Stargods makes a good case for all this strangeness by using scripture and not just opinions and hearsay This book is very deep and not meant for shallow Christians that believe in Church doctrine and not Bible doctrine This book is a must for those Christians that want a deeper understanding of endtimes and spiritual warfare It will teach you how to see all the people around us for what they really are so that we can best protect ourselves from these predators Return of the Stargods is an introduction to the reality that lies outside the box If you are a discerning Christian who regards scripture as the final authority and not church then this book is a must read
