El español académico como LE L2 destrezas competencias y movilidad universitaria ofrece una completa visión del área del español académico como LE L2 en la educación superior. Escrito en español, este libro aborda las prácticas letradas académicas en el mundo hispanico tanto en el aula como en la investigación. Combina una orientación teórica práctica con pautas y herramientas para ayudar a los aprendices de español a comunicarse en contexto académico universitario. Entre las características principales del libro se incluyen Información para cubrir las necesidades educativas de estudiantes internacionales de grado y posgrado en universidades de habla hispana. Secuenciación de contenidos para favorecer la enseñanza del lenguaje académico a estudiantes con lenguas maternas, perfiles lingüísticos y tradiciones culturales académicas diferentes. Análisis de los géneros orales y escritos académicos: interacción en el aula, presentaciones orales, comunicaciones en congresos, ensayos, reseñas, exámenes escritos, trabajos de investigación, defensas. Abundantes ejemplos, actividades y recursos en cada capítulo. Pautas curriculares para planificar cursos de español académico y otras intervenciones didácticas en distintos contextos de aprendizaje. Perspectiva global del español académico para estudiantes no nativos que incluye a las universidades tanto españolas como hispanoamericanas. El español académico como LE L2 es una obra de referencia para docentes de español como L2, formadores del profesorado, estudiantes de español nativos y no nativos, así como para cualquier persona interesada en el español académico. El español académico como LE L2 destrezas competencias y movilidad universitaria offers a comprehensive overview of Academic Spanish as a FL L2 in Higher Education. Written in Spanish, this book deals with academic literacy practices in the Hispanic world both in the classroom and in research. It combines a theoretical/practical orientation with guidelines and tools to help Spanish learners to communicate in an academic context of higher education. Main features of this book include: Information to fulfill the educational needs of undergraduate and graduate international mobility students in Spanish speaking universities; Content planning to improve the teaching of academic Spanish to students with different mother tongues, linguistic profiles and academic cultural traditions; Analysis of oral and written academic genres; interaction in the classroom: oral presentations, papers, essays, reviews, written exams, thesis and defenses; Abundant examples, activities and resources in each chapter; Curricular guidelines for planning academic Spanish courses and other didactic interventions in different learning contexts; Global perspective of academic Spanish for non-native students which includes both Spanish and Latin American universities. El español académico como LE L2 is the ideal reference work for teachers, teacher trainers and students of the Spanish language, both native and non-native speakers, as well as those interested in academic Spanish.

The Software Encyclopedia ,1986 **New Directions in Hispanic Linguistics** Alejandro Cortazar,2014-04-11 This volume addresses some lacunae in Hispanic linguistic research by focusing on new scholarly directions exploring understudied topics as well as speech communities and presenting new takes on relevant linguistic and sociocultural issues This publication answers questions which have emerged as a result of the rapid increase in Hispanic linguistic research since the latter part of the twentieth century or that have remained open in spite of it With the rapid growth of Hispanic Linguistics during the 21st century the topics included in this volume are representative of the breadth vitality and interdisciplinarity of contemporary linguistic scholarship They also reflect that linguistics in general has become more methodologically sophisticated This book is comprised of twelve chapters divided into three parts Part I addresses language ideology and language contact issues that are embedded in important sociolinguistic and cultural topics chronologically spanning from the 16th century to the present Although these issues take place in Spain the United States Turkey and Ecuador they pertain ideologically to all corners of the Hispanic World and beyond Part II is devoted to

pragmatics and language variation with topics that transport us to Colombia Mexico Spain and Venezuela The study of politeness strategies shows how Spanish speakers reduce social distance between interlocutors as they make conversation a pleasant and cooperative meeting place Concurrently sociolinguistic innovations reveal interesting parallels among several speech communities Part III explores linguistic variation as it relates to theoretical structural and instructional issues Although these topics are analyzed based mainly on linguistic usage in Bolivia Colombia the Dominican Republic Ecuador Panama and Spain as with the rest of this volume their relevance reaches far beyond the confines of the Hispanic World This book is unique in multiple ways and complements a number of existing publications **SAMHSA News** ,2007
