Mabokela,2002-05-03 The South African higher education system has historically been characterized by racial and gender inequities inherited from the discriminatory policies of the apartheid era Emerging from a higher education history plagued with deeply entrenched racial disparities *Voices of Conflict* examines how academic programs and structures at the historically white universities have responded to the increasing enrollment of black students since the enactment of the Universities Amendment Act in 1983 Dr Mabokela specifically seeks to understand the perceptions and attitudes of students faculty and administrators and to determine how these respective constituents have responded to changes in student demographics Her study brings to light with clarity and thoroughness many too often overlooked and neglected issues in higher education in South Africa

Democratizing Higher Education Policy M.T. Sehoole,2013-10-14 This book was written with the purpose of analyzing the challenges faced by the post apartheid government in South Africa with regard to reform of higher education It covers the apartheid context of higher education resistance to the system and its ultimate demise democratic processes in post apartheid reform agenda and how this agenda was emptied of its radical content as a result of global and local pressures Highlighted are key constraints in the reform process including the compromise pact agreed upon between the apartheid government and the ruling African National Congress the rapidly globalizing environment underpinned by neoliberal principles within which South Africa s transition took place shifts in macro economic policies of government towards neo liberal policy the inheritance of the bureaucracy and the inexperience of new government officials These are presented in a narrative style that combines the author s experience the voices of key players involved and important data from a range of documentary sources This is the first single authored book in post apartheid South African that has systematically looked at higher education reform

The Impact of HIV/AIDS on the Health Sector ,2003 This series of studies provides answers to three broad questions To what extent does HIV AIDS affect the health system in South Africa What aspects or subsystems are most affected and How will the impact progress over time Health personnel and ambulatory and hospitalised patients across the nine provinces of South Africa were surveyed Specific questions addressed issues such as loss of staff due to illness absenteeism low staff morale and increased patient load Taking into account the anticipated increase in patient load in the public and private sector health facilities in South Africa the study makes recommendations not only for managing the HIV AIDS case load but also for the care and services provided to people with HIV AIDS in South Africa

From Nowhere to Somewhere Dr. K P Mokhobo,2013-03-19 I wrote a personal story motivated by the urge to chronicle what struck me as a unique and unusual developmental social and professional life I hope the story will interest the readers I certainly relished the nostalgia and recollections of the past from the humble beginnings and reaching the top with success in a manner from which the origins cannot be told or surmised The purpose is not to glorify poverty nor encourage social upbringing in an environment devoid of parental support but to indicate the inherent resilience of a human being It is possible to survive and succeed despite adverse circumstances if among other factors one gets lucky breaks or your journey

enjoys fortunate events In my case success was certainly almost entirely the result of lucky strokes and unexplained events which came to the rescue at the right time and in the correct manner The morrow was miraculously shaped without concerted planning Assistance that came from various unsolicited quarters testified to inherent good nature of people In many a situation similar to mine the environment can be a fatal and destructive derailment One had to have the ability to learn quickly and to have the potential to avoid pitfalls
