Midyear Examination In Limpopo:

Human rights in diverse education contexts J.P. Rossouw, Elda de Waal, Johan Beckmann, Johan Botha, Franciska Bothma, André du Plessis, Elize Küng, Nicholas Mollo, Ewelina Niemczyk, Louise Postma, Erika Serfontein, Marius Smit, Charl C. Wolhuter, 2019-12-12 The focus of this publication is on answering the central research question How can Human Rights be advanced with regard to different kinds of diversities and in different educational settings The publication pays special attention to the advancement of human rights in a variety of education related contexts in keeping with human rights as a declared national priority for both society at large and the education system One strategic priority of the Faculty of Education is research based on market requirements and needs This book strives towards meeting this expectation by directly aiming at building human rights and social justice in the South African society public schools and higher education institutions Adjudication in the education context of the constitutional values of dignity equality and freedom focusses regularly on learners The book highlights the value of education for full fledged citizenship by delineating what schooling should entail to inspire learners towards both claiming equal freedoms and rights and taking accountability for the responsibilities attached to citizenship

Responsibility in Small Things Monde Ndandani, 2020-08-24 Aspiring to be upright and honourable This book is about metaphorical bricks small things that make walls of all types of buildings within which people work and live The figurative walls in the pages of this book are the Noah social types of the holy Bible Behaviour is the function of character A well behaved person young and old develops to be a paragon of virtue a rare species amongst the peoples of this world Universal and generic good behavior project starts with casual greeting one s family members in the morning and after intervals of absence from one s home Greeting people anywhere should be spontaneous Children learn being courteous from their homes same as telling the truth all the time giving lies no space Hence building average good and steadfast citizenry is the responsibility of each homestead and family If being sturdy is the essential feature of leadership then every citizen in any country in the world can have her his turn to lead Drum, 2007 Social Policy in Post-Apartheid South Africa Ndangwa Noyoo, 2019-11-01 This book critically examines the current social policy in post apartheid South Africa and proposes an alternative social policy agenda to create a new development pathway for the country Taking social policy as a vehicle that will facilitate the creation of a new society altogether namely the Good Society the author argues for the adoption of policy that will socially re engineer South Africa The author shows how the policy tools and development interventions which were undertaken by the post apartheid state in driving South Africa s transformation agenda failed to emancipate many individuals families and communities from the cycle of intergenerational poverty and underdevelopment He contends that social policy interventions that foster the social re engineering of South African society must take place to untangle the inherited colonial apartheid social order This book includes comparative analyses on the Global South and Global North to present the ways in which countries such as post Second World War Great Britain and

Sweden and post independence Zambia of the 1960s and 1970s were able to use social policy to create new societies altogether or places similar to the Good Society The conceptual and methodological issues that form the basis for this book reside in public policy making and the public good and will be of interest to scholars of social policy social development and South African society

Grandparenting Practices Around the World Virpi Timonen, 2020-05-13 This exciting collection presents an in depth up to date analysis of the unprecedented phenomenon of increasing numbers of grandparents worldwide co existing and interacting for longer periods of time with their grandchildren The book contains analyses of topics that have so far received relatively little attention such as transnational grandparenting and gender differences in grandparenting practices It is the only collection that brings together theory driven research on grandparenting from a wide variety of cultural and welfare state contexts including chapters on Europe North America Africa Asia and Australia drawing broad lines of debate rather than focusing at a country level Building on the success of Contemporary grandparenting edited by Virpi Timonen and Sarah Arber this book further deepens our understanding of how social structures continue to shape grandparenting across a wide range of cultural and economic contexts The book is essential reading and reference for researchers students and policy makers who want to understand the growing influence of grandparents in ageing families and societies across the world

Ageing and Nutrition through Lifespan Stefanos Tyrovolas, 2020-12-29 Population is ageing at an unprecedented speed globally As concept ageing is considered a continuous process starting from birth and is accompanied by various physiological changes and a number of chronic diseases that affect health and quality of life Ageing as a continuous process is depending on life course exposures to health risks lifestyle and nutrition socioeconomic background and other factors There is considerable interest among scientists regarding the direct and indirect effect of nutrition in optimal ageing Nutrition has a beneficial effect in a variety of chronic disease that impact the process of ageing Given the importance of this issue the journal Nutrients is planning a Special Issue on Ageing and Nutrition through Lifespan with the aim of providing a source for accurate up to date scientific information on this topic We invite you and your co workers to consider submission of your original research findings or a review article on the topic Manuscripts should focus on the direct impact of specific food components dietary patterns energy intake macro micro nutrients alcohol intake food insecurity as well as malnourishment and appetite to the ageing process healthy active successful ageing frailty and other similar indices across lifespan In a similar way we also welcome manuscripts that focus on the indirect effect of nutrition to the ageing process throughout the pathway of chronic disease i e obesity diabetes depression and mental diseases
