Dynamics of Intercessory Prayer Michael Widmer, 2004 Revised thesis Ph D University of Durham 2003 *Prayer and Performance in Early Modern English Literature* Joseph Sterrett, 2018-10-25 Early modern England was a nation alive with intense religious debate with often violent results Central to these debates were questions of prayer questions powerful enough to splinter the English church and to fuel a ferocious civil war This collection of thirteen newly commissioned essays traces the controversy and value given to the performance of prayer through the body the spoken word and written text as well as its representation on stage Through close readings of the works of Christopher Marlowe William Shakespeare John Donne John Milton and Henry Vaughan amongst others this book examines the performative aspects of prayer in a range of literary modes This broad range of study is expanded further with chapters focussing on the private religious diaries of men and women throughout the seventeenth century and the convergence of music and prayer in the work of William Byrd

Catholicism and the Christian life The Collected Writings of James Leo Garrett Jr 1950 2015 will inform and inspire readers regardless of their religious or denominational affiliations Intercessions of Mercy Sisters of Mercy, 2009 Intercessions of Mercy consists of simple prayers that blend religious convictions and current concerns in a way that can be shared by groups of believers or privately by those who prefer to pray in solitude It is designed to be used by readers in the ways that are most meaningful and helpful to them at any given time using it in different ways in the different seasons of your soul The prayers of Intercessions of Mercy are invocations that link prayer to God with service to others They connect the enduring convictions of faith with the recurring concerns of modern life The intercessions in this book are organized around the liturgical seasons feasts days in the Catholic calendar and on behalf of particular groups including artists caregivers families parents government leaders those who are ill or dying and many others A Call to Prayer Germaine Copeland, 2001 When you pray for others you become part of the present day ministry of Jesus Christ seeing He ever lives to make intercession Heb 7 25 Intercessory prayer groups can be effective when we understand the power and authority God has given to us and pray according to the will of God *The ^ALife of Prayer in a World of Science* Rick Ostrander, 2000-11-02 By the end of the 19th century the ascendance of a naturalistic worldview had made it increasingly difficult for many educated Christians to believe in a God who intervened in the natural world At the same time many in the emerging middle class culture saw themselves as too busy to practice the rigorous devotions of their ancestors In this book Rick Ostrander explores the attempts of American Protestants to articulate a convincing and satisfying ethic of prayer in these changing circumstances Ostrander shows that in response to the assault on petitionary prayer by naturalistic scientists American Evangelicals articulated a highly supernatural ethic of prayer and co opted the scientific method to defend their stance recording and cataloging numerous answers to prayer as empirical proof of prayer s efficacy Liberal Protestants on the other hand with their desire to adapt to modern thought gradually abandoned traditional belief in petitionary prayer The debate about the efficacy of petitionary prayer and other alternative therapies in mental and physical healing has taken on new vigor today this timely and engagingly written work not only chronicles the history of that debate but serves to illuminate the issues that are at stake The Practice of Intercession Zacharias Taneë Fomum, 2016-12-11 DON T GET ON YOUR KNEES WITHOUT IT This book is the sequel and companion to The Art of Intercession The current volume as its title suggests focuses on the more practical aspects of intercession the use of time discipline goals fasting resisting the devil the use of the Bible and knowledge of facts From the practical Professor Fomum leads us through the levels of intercession from the beginner to the advanced He goes on to give practical lessons on high level spiritual warfare against principalities and powers for those who are called There are sections on intercessory prayer chains and a full time ministry of intercession All this from the pen of one who has himself advanced through the school of calloused knees If God is calling you to be an intercessor this is the single best most practical manual to get you started or advancing on your knees *Crafting Prayers for Public Worship*

Samuel Wells,2013-06-24 An inspirational and practical guide for all who help to lead the intercessions in regular worship or offer prayers on specific occasions It aims to empower and equip lay people and clergy alike to offer heartfelt informed thoughtful and appropriate prayers on behalf of the people of God for God s world *Intercessory Prayer and the Monastic Ideal in the Time of the Carolingian Reforms* Renie S. Choy,2016-12-15 In early medieval Europe monasticism constituted a significant force in society because the prayers of the religious on behalf of others featured as powerful currency The study of this phenomenon is at once full of potential and peril rightly drawing attention to the wider social involvement of an otherwise exclusive group but also describing a religious community in terms of its service provision Previous scholarship has focused on the supply and demand of prayer within the medieval economy of power patronage and gift exchange *Intercessory Prayer and the Monastic Ideal in the Time of the Carolingian Reforms* is the first volume to explain how this transactional dimension of prayer factored into monastic spirituality Renie S Choy uncovers the relationship between the intercessory function of monasteries and the ascetic concern for moral conversion in the minds of prominent religious leaders active between c 750 820 Through sustained analysis of the devotional thought of Benedict of Aniane and contemporaneous religious reformers during the reigns of Charlemagne and Louis the Pious Choy examines key topics in the study of Carolingian monasticism liturgical organization and the intercessory performances of the Mass and the Divine Office monastic theology and relationships of prayer within monastic communities and with the world outside Arguing that monastic leaders showed new interest on the intersection between the interiority of prayer and the functional world of social relationships this study reveals the ascetic ideal undergirding the provision of intercessory prayer by monasteries

Novenas William G. Storey,2005 Storey has collected and edited 40 novenas nine days of concentrated prayer modeled on the nine days that Mary and the Apostles prayed in the upper room between Jesus Ascension and the coming of the Holy Spirit at Pentecost as well as shorter prayers in updated form and in modern English Encounter with God Duncan B. Forrester,James Ian H. McDonald,Gian Tellini,2004-07-09 An ecumenical introduction to the study of Christian worship which emphasises the complementarity of Word and Sacrament and the unity of theology and practice and considers the place of worship in the modern age It is especially designed for those of various traditions who are preparing for the ministry or who participate regularly in worship and wish to deepen their understanding *The golden chain, a manual of intercessory prayer, ed. by H.W. Miller* Henry Walter Miller,1884 *Samuel Rees Howells, A Life of Intercession* Richard A. Maton,Paul Backholer,2018-02-01 Samuel Rees Howells A Life of Intercession The Legacy of Prayer and Spiritual Warfare of an Intercessor by Richard A Maton Paul Backholer and Mathew Backholer Rees Howells a powerful intercessor taught his son Samuel the principles of intercession and commissioned him some weeks before his death stating Whatever you do stand and maintain these intercessions For the next fifty four years Samuel Rees Howells exercised a powerful intercessory ministry as he focused prayer on gospel liberty in order for the good news of the Gospel of Jesus Christ to be given to every creature

With the mantle of intercession weighing heavily upon him Samuel spent decades participating with others in their own countries in profound spiritual struggles that shook world events and shaped history for God's glory Discover how Samuel was led by the Holy Spirit to exercise authority over the principalities and powers and to pray through until God's purposes were fulfilled in many lethal world conflicts Learn how God still intervenes in world history from the Korean War to the Cuban Missile Crisis and from the Six Day War to the fall of the Soviet Union Beginning in the days of Rees Howells this book continues this powerful story of intercession and traces its effectual legacy into the twenty first century Filled with principles of intercession faith and spiritual warfare this book provides a fascinating insight into what is possible when the Holy Spirit finds an individual who will stand in the gap and become a channel for His intercession Ezekiel 22 30 Romans 8 26 27 Ephesians 6 12 Richard A Maton worked under Samuel's ministry for forty seven years and provides us with an eyewitness account of Samuel's life of intercession Richard is married to Kristine who joined Rees Howells Bible College in 1936 and prayed alongside him Together Richard and Kristine spent more than 120 years at the College *"The" Catechist's Prayer-book* Edward M.
