

Travel and Tourism

Travel and tourism is a 45-credit major program, and a 24-credit minor designed to prepare students for careers in one of the world's fastest growing industries. Worldwide spending for vacations exceeds \$1 trillion and employs more than 200 million people. Only the health care industry generates more jobs than does travel and tourism in the United States. In Minnesota, domestic and international tourism contributes \$1.8 billion to the state economy, nearly half of which goes to salaries and wages. The Travel and Tourism program prepares students for a variety of careers. Graduates of the program work for major companies and corporations in Minnesota and throughout the United States and abroad in such areas as travel planning, accommodations, airlines, attractions, cruise management, corporate travel, cruise lines, government, tour operations, automobile travel and many more.
