Pisciotta, 1994 The opening in 1876 of the Elmira Reformatory marked the birth of the American adult reformatory movement and the introduction of a new approach to crime and the treatment of criminals Hailed as a reform panacea and the humane solution to America s ongoing crisis of crime and social disorder Elmira sparked an ideological revolution Repression and punishment were supposedly out Academic and vocational education military drill indeterminate sentencing and parole benevolent reform were now considered instrumental to instilling in prisoners a respect for God law and capitalism Not so says Al Pisciotta in this highly original startling and revealing work Drawing upon previously unexamined sources from over a half dozen states and a decade of research Pisciotta explodes the myth that Elmira and other institutions of the new penology represented a significant advance in the treatment of criminals and youthful offenders The much touted programs failed to achieve their goals instead prisoners under Superintendent Zebulon Brockway considered the Father of American Corrections were whipped with rubber hoses and two foot leather straps restricted to bread and water in dark dungeons during months of solitary confinement and brutally subjected to a wide range of other draconian psychological and physical abuses intended to pound them into submission Escapes riots violence drugs suicide arson and rape were the order of the day in these prisons hardly conducive to the transformation of dangerous criminal classes into Christian gentleman as was claimed Reflecting the racism and sexism in the social order in general the new penology also legitimized the repression of the lower classes Highlighting the disparity between promise and practice in America s prisons Pisciotta draws on seven inmate case histories to illustrate convincingly that the March of Progress was nothing more than a reversion to the ways of old In short the adult reformatory movement promised benevolent reform but delivered benevolent repression a pattern that continues to this day
