Elvis - from Crown to Graceland Adrian Keller, 2015-03-10 Elvis Presley life is generally well known to most of his fans with one exception The time between high school and the time Elvis purchased Graceland is almost unknown except that he drove a truck for a small Memphis company called Crown Electric Until now How was his life as a truck driver What else did he do at Crown Electric besides driving a truck What were his habits Did he ever play his guitar at work Did he share his dreams with his fellow coworkers and what were those dreams More importantly what did he plan to do with his life And many other similar questions *Elvis From Crown to Graceland* captures this fascinating part of Elvis life in minute details and it reveals the extraordinary skills of a yet ordinary American boy through the eyes of his former employer Jim Tipler The book also reveals the entire story of the Crown Electric street sign that Elvis worked on himself and shows how long before he came on the world stage he had a very good understanding of advertising and marketing something that is usually attributed only to The Colonel With over 100 very rare photos and legal documents *Elvis From Crown to Graceland* is the ultimate biography of Elvis young life a life that was never to be the same as he stepped through Sun Studio s doors
