**Email from the Edge** Timothy McGettigan, 2013-09-06 The Scholar Ship is a fascinating concept in higher education Sadly in the months following our Spring 2008 journey The Scholar Ship ceased operations A more complete and exhilarating educational vessel has never put to sea but alas operating a university on the high seas is financially riskier than asking a pirate to safeguard your piggy bank Thus as of this writing The Scholar Ship is no more Though The Scholar Ship may be gone it will never be forgotten In my opinion global educational initiatives such as The Scholar Ship represent the future of international education Thus I feel safe in believing that The Scholar Ship is not really gone it is simply experiencing a brief hiatus Perhaps I m wearing rose colored glasses but I look forward a few years down the road to the re launching of The Scholarship bigger better and more fun than ever
